FOR GOVERNOR OF NEW YORK

COL. ALEXANDER S. BACON

PATRIOT — SOLDIER — JURIST

::::: This is the man who risked his life in overthrowing JOHN Y. MCKANE and his associates, one of the boldest and most corrupt political rings that ever existed. He is a resident of Brooklyn; a graduate of West Point; a Colonel of the National Guard, a renowned Lawyer and Orator; is active and aggressive in all religious and benevolent works, and a man of backbone, who is eminently fitted to be the next Governor of New York State.

::::: All the friends of good government should vote for him. Can you not serve your Country and support him in turning the rascals out. Smash the rings!!
