WILD CHERRY BALSAM.—The memory of Dr. Wistar is embalmed in the hearts of thousands whom his Balsam of Wild Cherry has cured of coughs, colds, consumption, or some other form of pulmonary disease. It is now over forty years since this preparation was brought before the public, and yet the demand for it is constantly increasing.

"I MUST congratulate you on your marriage, Mr. Pugsby. Your wife is a charming woman." "She is, indeed; so loving, amiable, and accomplished, and so easily pleased." "Oh, I knew that when I heard that she was about to marry you."

ADVICE TO MOTHERS.—Mrs. Winslow's SOUTHERN SYRUP should be used when children are cutting teeth. It soothes the little sufferer at once, produces natural, quiet sleep by relieving the child from pain, and the little cherub wakes as bright as a button. It is very pleasant to use. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty five cents a bottle.

DURING a discussion of religious topics, young Brown said—"I tell you that if the other animals do not exist after death, neither will man. There is no difference between man and a beast." And good old Jones mildly replied—"If anybody could convince me of that, it would be you, Brown."

Ayer's Hair Vigor

Has been used in my household for three reasons:—

- 1st. To prevent falling out of the hair.
2d. To prevent too rapid change of color.
3d. As a dressing.

It has given entire satisfaction in every instance. Yours respectfully, Wm. Carey Crane."

AYER'S HAIR VIGOR is entirely free from uncleanly, dangerous, or injurious substances. It prevents the hair from turning gray, restores gray hair to its original color, prevents baldness, preserves the hair and promotes its growth, cures dandruff and all diseases of the hair and scalp, and is, at the same time, a very superior and desirable dressing.

WHAT IS CATARRH?

Catarrh is a mucopurulent discharge caused by the presence and development of the vegetable parasite ameba in the internal lining membrane of the nose. This parasite is only developed under favourable circumstances, and these are:—Morbid state of the blood, as the blighted corpuscle of tubercle, the germ poison of syphilis, mercury, toxomata, from the retention of the effete matter of the skin, suppressed perspiration, badly ventilated sleeping apartments, and other poisons that are germinated in the blood. These poisons keep the internal lining membrane of the nose in a constant state of irritation, ever ready for the deposit of the seeds of these germs, which spread up the nostrils and down the fauces, or back of the throat, causing ulceration of the throat; up the Eustachian tubes, causing deafness; burrowing in the vocal cords, causing hoarseness; usurping the proper structure of the bronchial tubes, ending in pulmonary consumption and death. Many attempts have been made to discover a cure for this distressing disease by the use of inhalants and other ungenious devices, but none of these treatments can do a particle of good until the parasites are either destroyed or removed from the mucous tissue. Some time since a well-known physician of forty years' standing, after much experimenting, succeeded in discovering the necessary combination of ingredients which never fail in absolutely and permanently eradicating this horrible disease, whether standing for one year or forty years. Those who may be suffering from the above disease, should, without delay, communicate with the business managers—Toronto, Ont. Messrs. A. H. DIXON & SON, 205 King St. West, Toronto, Canada. Inclose stamp for their treatise on Catarrh.

PHYSICIANS RECOMMEND IT.

H. SIROIS, M.D., Frasersville, P.Q., writes that he has sold WISTAR'S BALSAM OF WILD CHERRY for many years, and knows it to be one of the oldest as well as the most reliable preparations in the market for the cure of Coughs, Colds, and Throat and Lung Complaints. He knows of no article that gives greater satisfaction to those who use it, and he does not hesitate to recommend it. Dr. J. PARADIS, of the same place, writes: "I have tried Dr. WISTAR'S BALSAM OF WILD CHERRY for the cure of Coughs, Colds and Throat and Lung Complaints, in several cases, and it has worked wonders. In consequence of its satisfactory effects I recommend it to all in preference to any other preparation for these diseases. I know of no article that gives greater satisfaction to those who use it and I take pleasure in certifying this."
