To an advanced age, in its youthful freshness, abundance, and color, by the use of Ayer's Hair Vigor. When the hair is weak, thin, and falling, this preparation will strengthen it, and improve its growth.

Some time ago my wife's hair began to come out quite freely. She used two bottles of Ayer's Hah Vigor, which not only prevented baldness, but also stinulated an entirely new and vigorous growth of hair. I am ready to certify to this statement before a justice of the peace.—H. Hulsebus, Lewisburg, Iowa.

On two occasions, during the nest.

About five years ago my hair began to fall out. It became thin and lifeless, and I was certain I should be bald in a short time. I began to use Ayer's Hair no was a bundant and vigorous as ever.

Of Roxbury, Mass/, says

I have kept a Scrap Book for a good many years of letters received from patients; some are long, too long to publish, some are short, short and good. Rainy days I sit down and read them, and have learned a good deal about the human body from some poor, sickly woman, or over-strained man. Here is one of them. I call it a good letter :

TRENTON, TEXAS, Sept. 28, 1886. "To Kennedy of the Medical Discovery, Roxbury, Mass. I am so proud of my recovery as to express my feelings in thanks to you. The RHEUMATISM has made me four legged for six years. At last I have traded off two of them to Bell— Druggist-for four bottles Kennedy's Discovery. I am yours, gratefully and unso-licited, J.
