FARMS MILLS AND HOMES

Free Catalogue, R. B. CHAFFIN & CO., Richmond, Va. "Survival of the Fittest." If Darwin's theory is to be accepted, then the fact that I am the sole survivor in the trade of those who began with me the same line of business, gives significance to the fact that my sales of seed to market gardeners, well known to be the most critical of all buyers, has increased year by year until it has now reached vast proportions. That I raise many varieties on my five seed farms, make 1700 tests annually for vitality, and test novelties, that no one may be imposed on, will explain much to the thoughtful buyer. I invite you to write for my FREE Vegetable and Flower Seed Catalogue. J. J. H. GREGORY & SON, Marblehead, Mass.
