

same to the owner, could he find him; failing in this, he was to give the four dollars to the Bible and Tract Societies. We have to acknowledge herein the kindness of Mr. William Strachan, East Market Square. He will oblige by sending this *Recorder* to the party concerned.

THE PAPER ON RUSSIA—FIRST PAGE.—This article is one of more than ordinary interest. It informs us on a subject with which we are not as conversant as we are with some others. It only furnishes additional affirmation of the hostility of Rome, especially in its Jesuitical partizans, to the Bible, and, consequently, to Bible Societies. The Bible and Rome cannot forever co-exist. The Bible and its Societies are of God, and must prevail.

ERRATA.—On page 5, January *Recorder*, for "Report of the Rev. John Montgomery," read, Report of the Rev. John Gemley. And p. 7, line 15, should read as follows :—*Ordered all those books received from the colporteurs to be burned.* These are the first errata we have been called to make since the commencement of the publication of the *Recorder*. This speaks well for our printers.
