THE BEST WAY TO GET BOOKS

In nearly all cases it is to leave the selection to us. In order to aid you in the matter we will, if desired, send a number more books than are actually required, from which you may make a selection, and return those not needed at our expense.

We have long made this a study, and try to keep abreast of the times, and secure only such books as are of real value. *If you order*, and leave selection to us, please send the following information:

1. A list of books already in your library—alphabetically arranged, if possible.
2. The number of books wanted.
3. Any special books wanted.
4. The number of books wanted for each grade—Senior, Intermediate, Primary.
5. Full shipping directions.

Our Stock is very complete. We invite correspondence and guarantee satisfaction.
