Best Drug Stand in Canada

The most desirable unoccupied stand in Canada is the corner store of the MASONIC TEMPLE, LONDON, and very little investigation will convince anyone of the fact.

It is the nearest to all the hotels, the railway station, and the market, besides adjoining the Grand Opera House, and a large transient trade can be had.

The shop is on the corner of Richmond and King streets, is heated by steam, and the rent (which is very moderate) includes both heat and taxes.

A smart, active man who has the confidence of the medical profession should make a fortune here. There are several wholesalers in the city, and only a moderate stock need be carried.
