Mercantile Summary.

BERLIN, Ont., has bought a \$3,000 road
roller from an Ohio firm.

THE Chatham Oil Company has struck
a gushing petroleum well in Zone town-
ship, close to Thamesville.

A COMPANY in Macon, Ga., writes the
mayor of Galt, asking what encourage-
ment that town would offer to establish its
factory there. They make a patent article
of shears and scissors.

FOR the steam fire engine advertised for
by Winnipeg there were four tenders, of
which the Waterous Works of Brantford,
and the Ronald Company were lowest.
The decision has been left to a committee
of the council.

KENT & TURCOTTE, of Montreal, author-
ized by the inspectors of the insolvent
estate of Blumenthal & Sons, have entered
a contestation of that firm's statement of
assets and liabilities, on the ground that
the same was incorrect.

SUPPLEMENTARY letters patent have been
issued to the Corticelli Silk Company, in-
creasing the capital from \$60,000 to \$125,-
000; and letters patent have been issued
incorporating the Brockville Navigation
Company, with a capital of \$16,000.

A CLEAR case of annoying exaggeration
was the report of the occurrence at the
Sydenham Glass Works at Wallaceburg,
which we copied last week from a con-
temporary. Instead of five tons (the prin-
ter made us say fifty tons) of glass running
out of the tank, there was not five hundred
pounds. And the loss is but trifling.

As an example of activity in Winnipeg,
real estate, a firm in that city, Carruthers,
Brock & Johnston, report the recent sale
by them of Main Street properties as un-
der: The Imperial Bank block for close
upon \$40,000; the Woodbine restaurant,
\$17,000; and two stores presently occupied
by Holman, Paul & Taylor and S. Bar-
rowclough, \$31,000, all cash transactions.

It is the intention of the Imperial Bank
of Canada to make great alterations in its
banking premises in Winnipeg, which it
purchased the other day. Improvements
are to be made both in the exterior and
interior of the building. Particulars are
not yet given as to the shape the outside
alterations will assume, but the inside will
be modernized, and adapted to an increas-
ing business.
