

chappelle Montligeon a town?—No, Most Holy Father, it is a simple hamlet in Orne, France.... Is Monseigneur Tregaro well?—He has been a little indisposed, but we hear he has completely recovered.—Oh! I am very glad.—Then the Sovereign Pontiff spoke in high terms of charity towards the dead. It is, said he in conclusion, one of the good works that God delights to bless. I shall pray that he may bless yours, I wish to see it more and more spread.

I then besought a special benediction for all the benefactors of the Euvre, the priests who work for it, the secretaries and all the staff. The Sovereign Pontiff bestowed it with much benevolence. I then requested the privilege of giving the Apostolic Benediction. The Holy Father seemed to hesitate a second, and then observed: "Are you the Superior?"—Yes, Most Holy Father.—Well, I accord it with the usual conditions. You shall give it on a great feast. All who have confessed and received Holy Communion will gain a plenary indulgence." We then retired filled with joy and happiness.

## THE PEOPLE MARVELLED AT THE RESCUE OF MR. METCALFE OF HORNING'S MILLS.

Badly Crippled With Sciatica and an intense sufferer for years—For Two Years Was Not Able to Do Any Work—Dr. Williams' Pink Pills Restored Him to Health.

From the Shelburne Economist.

The completion of the local telephone service between Shelburne and Horning's Mills by Messrs. John Metcalfe and W. H. Marlatt, referred to in these columns recently, was the means of bringing to the notice of a reporter of the Economist the fact of the remarkable restoration to health some time ago of Mr. Metcalfe, the chief promoter of the line. For about two years Mr. Metcalfe was a terrible sufferer from sciatica, and unable to work. While not altogether bedfast, he was so badly crippled that his bent form, as he often hobbled about the streets of Horning's Mills, excited universal sympathy. The trouble was in one of his hips and he could not stand or walk erect. His familiar attitude, as the residents of Horning's Mills

"WALKED IN A STOOPED POSITION."

can vouch, was a stooped over position, with one hand on his knee. Mr. Metcalfe says: "For about two years I was not able to do any work. Local physicians failed to do me any good, and I went to Toronto for treatment, with equally unsatisfactory results. I also tried electrical appliances without avail. I returned home from Toronto discouraged, and said that I would take no more medicine, that it seemed as if I had to die anyway. My system was very much run down and the pains at times were excruciating. I adhered for several months to my determination to take no more medicine, but finally consented to a trial of Dr. Williams' Pink Pills strongly recommended by a friend. Before I had taken them very long I felt a great deal better, my appetite returned, and the pains diminished. After using the pills for some time longer I was able to stand and walk erect and resume my work, in the full enjoyment of health and strength. People who knew me marvelled at the change, and on my personal recommendation many have used Pink Pills. This is the first time, however, that I have given the facts for publication."

On being asked if the sciatica had ever returned, Mr. Metcalfe stated that once or twice, as the result of unusual exposure, he had experienced slight attacks but he always kept some of the pills at hand for use on such occasions, and they never failed to fix him up all right. Mr. Metcalfe who is 52 years of age, is in the flour and provision business, and, as proof of his ability to do as good a day's work as he ever did in his life, we may state that most of the work connected with the erection of his six miles of telephone line was performed by himself. Mr. Metcalfe also mentioned several other instances in which the users of Pink Pills derived great benefit, among them being that of a lady resident of Horning's Mills. The Economist knows of a number of instances in Shelburne where great good has followed the use of this well-known remedy. The public are cautioned against imitations and substitutes, said to be "just as good." These are only offered by some unscrupulous dealers because there is a large profit for them in the imitation. There is no other remedy that can successfully take the place of Dr. Williams' Pink Pills, and those who are in need of medicine should insist upon getting the genuine, which are always put up in boxes bearing the words "Dr. Williams' Pink Pills for Pale People." If you cannot obtain them from your dealer, they will be sent post paid on receipt of 50 cents a box, or \$2.50 for six boxes, by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N. Y.

Should you find the cold, raw autumn winds chilling you to the bone and making you feel as though it would be almost impossible to stand the still colder weather yet to come. Try a half-pint bottle a day of our Extra Porter and you will find it a little over five cents per day and may do you a great deal of good.

Porter enriches the blood, warms up the system and generally produces a cheerfulness of mind and a desire to look upon the brighter side of life.

Many people say "I don't like porter or lager, if I did I would use it regularly and no doubt be benefited by its use." Now, people, as a general thing, don't use only the medicines prescribed for them, that are palatable or that just suit their fancy, they take anything and everything the doctor sends. So we say to such people take your porter as an article of full recognized medicinal value, whether you like it or not. Porter—and this applies equally to our ale or lager—is so mild a stimulant that none of the depressing effects sometimes felt after using stronger stimulants is experienced.

Bottled in quarts, pints and half-pints, the latter one glass, no waste always fresh.
