1. Import Controls

Section 5 of the Act provides that the Governor in Council may establish a list of goods, called an Import Control List (ICL) whose importation he deems it necessary to control for any of the following purposes:

- to ensure adequate supply and distribution of an article that is scarce on world markets or is subject to control in the country of export;
- to implement any action taken under the Farm Products Marketing Agencies Act;
- to support any action taken under the Meat Import Act;
- to implement any action taken under a number of named Acts; e.g., the Agricultural Stabilization Act, the Fisheries Prices Support Act, the Canadian Dairy Commission Act, to support the price of the article;
- to implement an intergovernmental arrangement or commitment;
- to limit, pursuant to an enquiry by the Textile and Clothing Board or the Canadian Import Tribunal (formerly the Anti-dumping Tribunal), the importation of goods causing or threatening to cause serious injury to domestic producers.
