Marine Equipment Market Share by Type -- 1988

Equipment	Value (¥ million)	Share (%)
Marine Research	34 738	
Marine Research Vessels	1 404	4.0
Submarines	455	1.3
Research Equipment	7 185	20.7
Communications Equipment	25 442	73.2
Others	252	0.8
Marine Resources Development	22 571	
Oil and Gas Drilling Machinery and Equipment	197	0.9
Oil and Gas Production and Equipment	4 598	20.4
Mineral Resources Collecting Machinery and Equipment	431	1.9
Desalination Equipment	3 362	14.9
Biological Resources Development Equipment	13 982	61.8
Others	1	0.1
Marine Energy	133	
Marine Space Use	59 279	
Factory Ships	2 044	3.4
Marine Leisure Equipment and Facilities	33 742	56.9
Transportation and Traffic Facilities	15 584	26.3
Storage Facilities	5 227	8.8
"Man-made Island"	878	1.5
Others	1 804	3.1
Civil Engineering Related	24 978	
Dredging Ship	9 366	37.5
Work Ship	10 041	40.2
Under Water Works Equipment	343	1.4
Above Sea Platform	2 491	10.0
Others	2 737	10.9
Anti-Pollution	7 144	
Pollution Observation Equipment	471	6.6
Ocean Cleaning Vessels	554	7.8
Oil Slick Prevention and Cleaning Equipment	2 552	35.7
Abandoned (Haiyu) Oil Disposal Vessels	0	0.0
Contaminated Water Disposal Vessels	586	8.2
Others	2 981	41.7
Diving	1 931	
Sea Disaster Prevention	15 500	
Others	8 785	
Total	175 059
