

(2) At its first session under this Agreement the Council shall approve its budget for the first quota year and assess the contributions to be paid by each Participating Government.

(3) The Council shall, each quota year, approve its budget for the following quota year and assess the contribution to be paid by each Participating Government for such quota year.

(4) The initial contribution of any Participating Government acceding to this Agreement under Article 41 shall be assessed by the Council on the basis of the number of votes to be held by it and the period remaining in the current quota year, but the assessments made upon other Participating Governments for the current quota year shall not be altered.

(5) Contributions shall become payable at the beginning of the quota year in respect of which the contribution is assessed and in the currency of the country where the seat of the Council is situated. (6) To the extent consistent with the laws of the country where the seat of the Council is situated, the Government of that country shall grant exemption from taxation with effect from 1 January 1959 on the assets, income and other property of the Council and on remuneration paid by the Council to its employees.

(7) The Council shall, each quota year, publish an audited statement of its receipts and expenditures during the previous quota year.

(8) The Council shall, prior to its dissolution, provide for the settlement of its liabilities and the disposal of its records and assets.
