ST. LAWRENCE RIVER—GOVERNMENT ACTION IN DISPUTE RESPECTING PILOTS

On the orders of the day:

Hon. Lionel Chevrier (Laurier): Mr. Speaker, I should like to put a question to the Minister of Transport (Mr. Balcer) or to his parliamentary secretary.

Since the minister stated in the house last Friday that he has asked his officials to bring together the pilots and the shipowners and since the pilots claim that neither the shipowners nor departmental officials got in touch with them, has the minister no comment to make in this respect and can he explain this situation?

(Text):

Mr. Q. A. Martini (Parliamentary Secretary to the Minister of Transport): Mr. Speaker, I will take that question as notice.

(Translation):

Mr. Azellus Denis (St. Denis): Mr. Speaker, could the parliamentary secretary also take as notice the following question?

Why does the minister insist that the pilots go back to work before their grievances are settled since the Minister of Labour (Mr. Starr) did not lay down such conditions in other disputes such as, for example, the one involving C.N.R. employees?

(Text):

Mr. Speaker: Order.

(Translation):

Mr. Gabriel Roberge (Megantic): A supplementary question, Mr. Speaker. Perhaps the parliamentary secretary could also consider it as notice.

In what way is that strike illegal, as the minister claimed in his telegram of last April 6?
