BUSINESS OF THE HOUSE

Mr. Collenette: Mr. Speaker, on a point of order, I should have spoken a few minutes ago when my colleague from Berthier-Maskinongé introduced his bill. As a point of information to members opposite, it is the intention of the government at four o'clock on June 27 to introduce and pass through all stages bills respecting changes to constituency names. We have given notice to that effect to the opposition whips. We would ask that those bills be submitted by members today or certainly Monday so that they can be printed and brought forward on June 27.

Mr. Baker (Nepean-Carleton): Mr. Speaker, I want to confirm that that arrangement has indeed been made in the name of the whip. We have been alerted, and I thank the hon. member for again bringing that matter to our attention.

Mr. Knowles: Yes, Mr. Speaker, that is the understanding. I might modify it a bit and say that it will be the members who will bring forward the bills, not the government.

The Acting Speaker (Mr. Blaker): Pursuant to the comments made by the parliamentary secretary, the hon. member for Nepean-Carleton and the hon. member for Winnipeg North Centre, is it agreed that certain private members' bills shall be put to the House on the date mentioned, June 27, for handling of all stages?

Some hon. Members: Agreed.

The Acting Speaker (Mr. Blaker): It is so ordered.
