and your accomplishments in your field, have given me such satisfaction that I feel they are worthy of my recognition". Need I add what a high degree of happiness it would afford me if my Alma Mater should entertain such a feeling towards me. I will add that I have such a deep trust in the broad and liberal mindedness of my Alma Mater, which she evinced in such a conspicuous manner to me while a student, that if she honestly feels that way, she will not hesitate to express it.

With most respectful regards.

Very sincerely,
