MONTREAL,

September 10, 1926.

To Lord Atholstan,

M O N T R E A L .

Dear Sir:-

Can you place the citizens under further debt to wellwishers by placing the needs of the Health League before those citizens whose interest in the public welfare will lead them to appreciate what is being done for the public welfare by the Health League. For the work of the next two years a minimum of one hundred and twenty thousand dollars is needed. I have such confidence in the public spirit of Montreal that I am sure this beneficent movement will not be permitted to lapse.

Yours
