My Summer in a Garden;

BY

CHARLES DUDLEY WARNER,

With introductory letter from the Rev. HENRY WARD BEECHER.

Reprinted from the Third American Edition.

"We advise all who wish to read a thoroughly charming book to procure 'My Summer in a Garden.' There is a rich, hearty, delicious laugh in store for them there in every page, and who does not prize a genuine, generous laugh more than anything else to be had in the world? But, besides the quaint deep humor that is so irresistibly provocative of laughter, is throughout the book an abundance of delicate fancy, subtle shrewdness, and genial wisdom, and a frequent digression into the most interesting digressions, and the most delicate moralizings."—*Chicago Post*.
