**RARE COINS AND STAMPS.**—I am at all times prepared to purchase, for cash, collections of any magnitude.

**COIN CATALOGUE.**—But few people, with the exception of coin dealers, know the value of coins. As I wish to purchase all rare coins, I have issued a complete 18-page Catalogue, giving my buying prices for all U. S. coins worth over face value. Price, only 10 cents. A copy should be in the hands of every business man; and, in fact, of every one who handles money, as they can easily obtain premiums on coins that would otherwise be passed out in change.

**The Granite State Philatelist:** A 16-page paper, devoted to Stamps, Coins and Curiosities. Subscription, 25 cents a year to any part of the world. Exchange notices are inserted for subscribers, **FREE**. **ADVERTISING RATES:** 1 inch, 50c.; 3 inches, \$1.00; 1 column, \$2.75; 1 page, \$5.00. Terms, cash. Sample free for stamp.

**Miniature Price List:** 100 varieties foreign stamps, 14 cents; 1000 foreign, mixed, 33c.; \$100 Confed. bill (1862 issue, Train of cars variety, rare), 15c.; 8 varieties, including the above, 50c.
