

RESOLUTIONS.

I.—ACTION TO BE TAKEN BY THE BISHOPS.

That this Board, moved by its duty to the Domestic and Foreign Missionary Society of the Church of England in Canada, does very respectfully request the Bishops to impress upon the clergy and laity in their Synods, and upon the members of the Church generally, the following facts :

(1) That all members of the Church of England are, as such, members of the Domestic and Foreign Missionary Society.

(2) That as members of this Society their duty is in particular to make offerings annually at Epiphany to the Foreign Mission Field, and at Ascensiontide to the Domestic field, and generally to promote in any way open to them the great aims of the Society.

(3) That the Society, being co-extensive with the Church throughout our Dioceses and in each parish, is in the best possible position to enlist hearty interest and active co-operation in the work of extending Christ's kingdom.

(4) That the Society, having an agent in each congregation in the person of the clergyman, is able to carry on the widespread work of the Society in its appeal to each member of the Church with the least possible outlay, so that the whole of the contributions may be applied to the grand purposes for which they are given.

(5) That the expenses of the Society are limited to unavoidable outlay, such as the disbursements of officers in attending the meetings of the Board of Management, postage, printing, etc.

(6) That the experience of the Society affords undeniable evidence that the Congregations in most of the Dioceses are advancing in the interest they take and the aid they extend to mission work.
