Board of Trade Traffic Department Has Received Good Reports.

MUCH WORK THIS YEAR

Long List of Important Questions Is Framed For Discussion.

The traffic department of the board the Canadian Manufacturers' Association against the practice of pilfering peen substantially reduced. The poard of trade and the manufacturers' clation have been receiving letters from their members thru the province giving particulars of loss sustained in this way, and the information thus gained being given to the railways has led to very benflecial re-

FINAL RETURNS **COMING TONIGHT**

General Booth Memorial Fun Will Be Closed at Big Banquet.

The big clock indicates the progress of the canvass in connection with the Booth Memorial Fund. It is making big jumps and now records \$47,000 that have been so far collected. Seeing the campaign is on the short term plan, every effort will have to be put forward by the workers today; in fact, it is impossible to reach all those who have been appealed to thru the mails. Messrs, E. R. Wood and James Ryrle have issued a letter, which will be in the hands of those who have not been called upon, this morning, and these gentlemen greatly desire the co-operation of those concerned, and have asked that their subscriptions be made as generous as possible and be forwarded to the campaign headquarters at 191 Yonge st. Commissioner Rees has also directed a letter to the ladies who were present at Miss Booth's drawingroom meeting, held at the residence of Mrs. E. R. Wood, Queen's Park, asking their co-operation in the matter of urging their husbands to help the morial scheme.

The final returns will be given in tonight at 6.30 at the campaign headquarters, when dinner will be served, and it is expected that all the members of the various committees will be present. An interesting time is anticipat-
