 Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lameback, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own home—without any additional help or medicine—that I think every man who wishes to regain his manly power and verifity, quickly and quietly, should have a copy. So I have scription free of charge, in a plain, ordinary scaled envelope, to any man who will write me for it.

This prescription comes from a physician who has made a special study of men, and I am convinced it is the surest acting combination for the cure of dezcent manhood and vigor failure ever put together.

I think I owe it to my fellow men to send them a correct process.

cent manhood and vigor faikire ever put together.

I think I owe it to my fellow men to send them a copy in confidence, so that any man, anywhere, who is weak and discouraged with repeated failures may stop drugging himself with harmful patent medicines, secure what I believe is the quickest acting restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at home quickly Just drop me a line like this: Dr. A. E. Robinson, 3932 Luck Building, Detroit, Mich., and I wil send you a copy of this splendid recipe in a plain, ordinary envelope free of charge. The public, if the truth be told have absolutely refused to buy securities, and this means that heavy losses, aggregating many millions of dollars, have been taken by those who have thrown away their holdings on the various setbacks.

The following table shows the extent of the decline. It gives the low for 1912 and 1813 to date, the closing price this week, and the loss from the high point of the year, recorded by the majority of issues on April 4:

SAYS BABY WAS ABDUCTED.

WOODSTOCK. May 30.—(Special.)

—The mystery as to the parentage of the baby which was found on James F. Ball's verandah at Brooksdale on Tuesday has been claimed by the mother, Maggie McKenzie, a domestic of Stratford. The mother states that the child was abducted and has given the police the name of the man she believes to have committed the act. High Constable Hobson is looking into her story and an arrest may follow.

and weaknesses. See description below.

Please remember that a man is not one day older than he actually feels, and therefore no matter what your age, if you are young or elderly, married or single, large or small, if I can show you, reader, how you yoursell, may actually add to your system, nerves and blood the very nerve force or vigor which may have, been drained away, and which is necessary to make you strong, vigorous and capable again, then I have shown you the real secret of perpetual strength, and how you can again be filled with vigor, and again be just as p_werful in your influence and just as the longhly maniy in your capacity as the biggest, fullest blooded, most successful fellow of your acquaintance.

The new self-treatment for the restoration of manly strength, to which I refer

blooded, most successful fellow of your acquaintance.

The new self-treatment for the restoration of manly strength, to which I refer above, is a little light-weight VITALIZING Appliance of my invention, which is now meeting with a tremendous demand, and being used by men everywhere all over the world. This little VITALIZER, weighing only several ounces, is comfortably buckled on the body and worn all night. It is so small and so compact that even a room-mate would not suspect that you were wearing it. If, however, this VITALIZER is small in size, it is not small in power, for it generates a great tangible PORCE, which can be measured on scientific instruments, a POWER which I call VIGOR or NERVE ENERGY, and it sends this marvelous FORCE into your blood, organs and nerves while you cleep. All you have to do is to lead a decent, manly man's life, free from excesses and dissipation, then use the VITALIZER, nothing more. If this is followed out and the VITALIZER does for you what these others say it does for them, then all the pain or weakness will disappear from the small of your back—possibly from the first night's use—and you will be restored to a strong, vigorous, manly, capable, man, without a single ache, pain or weakness. Please remergiber, I am not asking you to buy one of these VITALIZER, but merely request you to first send for the free book described below, a section of which is devoted to an explanation of this VITALIZER, and gives you its whole wonderful story, so that you may know what intelligent young and elderly men everywhere are saying about it.

This is the Book You Get Free

My \$6-page illustrated booklet (pocket size) was compiled by me to answer fully and correctly those questions which are asked privately by any man meding new strength and who seeks personal advice pertaining to the aliments and weaknesses he wishes to overcome. The book, fully illustrated, with photo reproductions, contains much that a single or married man thould know. It also fully describes my VITALIZER and tells how you may secure one to use in your own case, should you decide you want to use one. Remember, the book is sent absolutely free, in plain, sealed envelope. Why not write for a copy today? Or, if nearby, please call. Hours: 9 to 6. Entrance: 6 Temperance Street.
