AutoStrop Razor

"The Gift of the Hour"

**A Necessity at Home
Indispensible to one in
Military Service**

*The only Razor that
Sharpens its own Blades
Automatically*

This is **important** because it keeps the blades from getting dull. The 12 blades you receive with the AutoStrop Outfit will give more than 500 clean, comfortable shaves. **It strops, shaves and is cleaned without taking apart.**
