The The

THE DAIRY SHOW. The promoters of the proposed dairy show for Toronto in January appeared

before the Hon. Mr. Monteith this week and asked for the patronage of the department to the show, and for his consent to allow the Eastern and Western Dairymen's Associations to meet A' Prominent Dealer in Eastern here at the time of the show. They

also asked for the government's co-operation in providing educational features at the show. No money grant was asked, as abun-

dant assurance had been given by the board of trade, the city and the county that the show could be made a financial success. The deputation was a strong one representing the Milk Producers of York, the Dairymen East and West. the board of trade and the city. They tion there, announced this sale at a strong at Tuesday's quotations. laid their arguments most carefully be-fore the minister. meeting of the central co-operative as-sociation in Toronto this week.

courteously received the gentlemen. He, ganization decided to take it. The socould not see his way clear to grant ciety has to furnish the barrels and the delegation their requests. The duplication of shows the drawing away When the sale was reported there those parts, were the main reasons ad-

those parts, were the main reasons ad-vanced against the proposals. Many men are of the opinion that the proposed show can be held here yet, even as a private enterprise, just vel. even as a private enterprise, just big success. These are urging upon the

men to go ahead, but it is a doubtful

question yet as to whether such a re-elected president of the Central Control to \$3.50 per cwt. Operative Society, reports a good out-to \$3.50 per cwt. Milch Cows. course would be a wise one. All's well that ends well, but who can assure the ending? It must not be inferred that are blossoming exceedingly well with the minister is antagonistic to the dairymen or to Toronto. Such is not spies and starks is magnificent
