TECUMSERS SHOULD WIN REMAINING TWO GAMES

If Shamrocks Lose in Cornwall Aug. 31, Championship May Come to Toronto.

Altho the Tecums hs beat the Nationals decisively Saturday by 15 goals to 6, the game was an interesting one and the sevral thousand people who were in atten were well repaid for their trip

The score to a certain extent indicates the play, as the Tecumseh home know a great deal more about scoring goals than the home players on the French team and the defence of the Islanders is much tronger than that of the Nationals.

In the field the Nationals had the foot of their opponents, in fact, they fully performed up to their reputations as fast runners. The sprinting of Gauthier was a feature of the game, as he could easily run rings around the fastest of the Tempseh fielders. At one time he got the ball, directly after, the face-off, and ran around the whole Tecumseh defence, landing the ball past Clark for a goal. Now it looks as if the Indians are sur to win their remaining games, Caps at the Island, and Nationals in Montreal, and their chance for the championship is for the Irishmen to lose their only dan-gerous game and go down to defeat in Cornwall on Aug. 31. Then Tecumseh and Shamrocks would be tied.

At Montreal Saturday, the Montrealers out the champion Caps another peg near-r the bottom of the N.L.U ladder. The ere at the finish was Montreal b, Capitals 4. The home team won in the last two minutes of the final quarter.

The Montreal team was minus Roddy Finlayson, who is considered the whole works on the defence end of the team and the Caps had not their strongest twelve on the field. Tom Moore and Eddie Robnson of the Shamrocks were the officials.
