RUNAWAY AND PERHAPS DEATH.

The Serious Mishap Which Over-

T. R. track on Main-street yesterday on T. R. track on Main-street yesterday on his way to church, his horses were frightened by a train, which passed just as he had crossed the track, and ran away. He and his wife, son and three daughters were thrown out at the corner of King and Main-streets. All were more or less injured. Mr. Stogdell was badly cut about the head, his shoulder was much brulsed and he was generally shaken up. His son Albin, aged 15 years old, is injured about the head and internally. He has not, after Every medical journal in Canada has endorsed Abbey's Effervescent Salt. the head and internally. He has not, after dorsed Abbey's Effervescent Salt.

GOLD SEEKERS DISAPPOINTED. The Copper River District Not Up

to Expectations.

Aug. 22.—The datest stam-Seattle, Aug. 22.—The datest stampede from Dawson City is to the north fork of Forty Mile Creek, on United States soil. In 24 hours about 500 persons started from Dawson for the scene, mostly idle men. The old miners did not put much faith in the reports.

One hundred and fifty disappointed prospectors have arrived here from Copper River, Alaska, bringing copies of resolutions passed at a recent miners' meeting, setting forth that gold in paying quantities had never been discovered in the vicinity of Copper River, and that the Valdez Glacier was impassable for large outfits.

GRAND TRUNK WILL KICK.

TOOK GAS TO DIE.

James Martin, Sherbourne-Street, Put a Gas Tube to His Lips and Passed Into Eternity.

It is only a small bit of building.

It's only an old colored rag,
Yet thousands have died for its honor,
And shed their best blood for the flag.

It is a great favorite with ex-President
Frank Turner, who can generally be found
sitting facing it and repeating snatches of
it between cigar puffs.

On the same floor are the luxurious smoking room, the billiard rooms, whose balls
run across English-made tables, and Secretary Lauder's office.

Rettring Rooms.

Arnprior, Aug. 22.—Robert Havey, livery
man, had a desperate encounter with a burglar entered his bedroom, and, with pointed revolver, told uim to be silent and give up his money. Havey quickly reached for his revolver and fired at the burglar not make the burglar retreated. He came back again, when Haver fired two more shots, and the burglar fired one in return, but neither
Havey nor the burglar was hit.

Arnprior, Aug. 22.—Robert Havey, livery
man, had a desperate encounter with a burglar send on the enactment of a law forbidding railroad, express, steamboat and telegraph companies from giving passes and franks to state officials.

This is something that should be enacted into law not only in Wisconsin but in Canada as well. The giving and taking of passes is a demoralizing influence in pointing the repeating influence in pointing the passe is a demoralizing influence in pointing the passe is a demoralization of passes is a demoralization of passe

The Serious Mishap Which Overtook Thos. Stogdell and Family.

Forest, Ont., Aug. 22.—As Thomas Stogdell of Plympton Township crossed the Granted to the trustees of McNabb-street dell of Plympton Township crossed the Granted to the trustees of McNabb-street typesterian Church, for damages to the church, his horses were frightened by a train, which passed just as he had crossed the track, and ran away. He had crossed the track, and ran away. He amount for smoke and Noise.

Mr. Justice Rose has referred back to the dark loss.

Mr. Justice Rose has referred back to the companies get all the passes they can use, both for themselves and their friends. Others get just the ordinary "courceptians of their families, while an official who makes himself especially obnoxious to corbonate interests may have even this privilege revoked.

In the serious Mishap Which Overtook Those Mr. Justice Rose has referred back to the companies get all the passes they can use, both for themselves and their friends. Others get just the ordinary "courceptians of the sompany for the three days here of the sompany for the three days here of the sompany for the three days here of the sompany for the three days on their families, while an official who makes himself especially obnoxious to corbonate interests may have even this privilege revoked.

It is easy to see that there is no limit to the double the companies get all the passes they can use, both for themselves and their friends. Others get just the ordinary "courceptians." Presbyterian Church, for damages to the church, his horses were frighten the companies get all the passes they can use, both for themselves and the ment use, both for themselves and their friends. The Beautiful Quarters of the Albany

Club Described.

Passed Into Eternity.

James Stevenson Martin, who lived with his father at 162 Duchess-street, was found dead yesterday morning at his father is to out dead yesterday morning at his father is workshop, 14 Sherbourne-street.

At an early hour Mr. Martin, sr., went to the works, and on opening the door he found the room full of gas. He then tried the office door, and, finding it locked, forced it open. Inside the room he found his son sitting in a chair, with his head feesting on the desk, with the tube of the gas stove lying on the table close to his mouth. Teeth marks were visible on the desk, with the tube of the gas stove lying on the table close to his mouth. Teeth marks were visible on the desk propose to carry a passenger one interaction. The proposal looks at first a little startling, but the more it is easily over to the making of the dollar and neglectful of any instinct of beauty. There are some exceptions, however, and and aristocratic-looking building known as the Albany Club.

Passed Into Eternity. James of the wast in the legislation of the Australian colonies is patterned upon English precedent, it by no means slavishly follows it. In fact, it often leads it. A novel proposition is repair to the sphere of practical politics, in one of the colonies, is calculated to give conservative hereditary legislators a severe shock. The proposition is that a uniform at should be charged on rallways for both freight and passengers, irrespective of distance. The proposal looks at first a little startling, but the more it is examined the more feasible it appears, its advocates propose to carry a passenger one shilling (25 cents), and to haul freight from any point in the interior to the seaboard or vice versa for 5 shillings (\$1.25) a ton. It must be remembered that the rallways, as also the telegraphs. The control of the colonies is patterned upon English of the dolon, it is patterned upon English procedent, it is father at 162 Duches, is calculated.

The

Nobody Was Hurt.

Arnprior, Aug. 22.—Robert Havey, livery the enactment of a law forbidding rail

The bedrooms, with their fine French mirrors and white enamelled beds, are one floor higher up, and here, too, is Secretary Lauder's picture gallery. It contains some rare gems, and Mr. Lauder has to resort to all sorts of dodges to get visitors out of it.

The Albany Club is now a thing of beauty and one of the sights of Toronto that visitors will rush to see on the first day of arrival.

Havey nor the burglar was hit.

No Damages for Smoke and Noise.

Mr. Justice Rose has referred back to the fare. Those who are especially serviceable to the companies get all the passes they can use, both for themselves and their fixed for the companies get all the passes they can use, both for themselves and their fixed for the fixed f

It is easy to see that there is no limit to the abuses that may grow out of the cus-tom of issuing passes as "a matter of cour-tesy." On the one hand the railroads are tesy. On the one hand the railroads are virtually blackmailed into giving much free transportation. On the other hand, the judicious use of passes representing a few thousand dollars worth of transportation may prove of more value to the corporations than a cash corruption fund several times larger in amount. Besides, bribery

Wictoria Jubilee Bridge.

Montreal, Aug. 22.—The new Victoria Jubilee bridge had the last pin of the centre span placed yesterday, and the work of removing the old structure is now begun. It is hoped to have the work completed and the bridge in full working order in two months.

Sigbee's "Extraordinary Heroism."

Washington, Aug. 22.—The President has promoted Captain Charles D. Sigsbee, U.S.N., now commanding the St. Paul, by advancing him three numbers on the list morals. The great problems with which legislative bodies are confronted have to do with the relation of government to public service corporations. It is impossible that legislators who are recipients of favors at the hands of these corporations can act toward them in a disinterested way, as public servants should public servants should. The giving of passes should be forbidden

ers Were Stopped.

Ottawa, Aug. 22.—A number of Canadian farm laborers going to North Dakota have been returned at Port Huron by the United States officer because they had an agreement with the Grand Trunk Railway Co. that if they returned by November they would get back for \$18. They were going to work harvesting. They have applied to the Dominion Government for compensation, as their case was not one within the terms of alien labor law. The matter has been put in the hands of the company's solicitors at Port Huron and Chicago, and will be investigated.

They're Curing Backache and and the document that he is they in the document that he purpose of bringing to justice certain persons whom he charges with defrauding the corporations of Trornto and Montreal out of large sums of money. He further says that the injunction was obtained to prevent his using the petition, which he desires to present to the Legislature before an adjournment takes place this week.

For a number of years she suffered greatly from pain in the back and terrible headaches. At times she got quite dizzy and a mist would come before her eyes, so that she could scarcely see. Her hands and arms would swell and the noistened with the dermading the corporations of Trornto and Montreal out of large sums of money. He further says that the injunction was obtained to prevent his using the petition which defrauding the corporations of Trornto and Montreal out of large sums of money. He further says that the injunction was obtained to prevent his using the petition which defrauding the corporations of Trornto and Montreal out of large sums of money. He further says that the injunction was obtained to prevent his using the petition which he desires to prevent this using the petition which he desires to prevent the injunction was obtained to prevent his using the petition, which he desires to prevent takes place this week.
