Cotton Markets.

Bartlett, Frazier & Co. wired to-day from New York:

The cotton market has developed extreme weakness. The cause is to be found in the disturbed political conditions abroad, the failures here and the demoralized condition of the stock market, which have induced very heavy liquidation. As the speculative demand for cotton has been checked by these adverse conditions, a market could be found only for the cotton offered for sale at declining prices. The situation has unquestionably been materially improved by the liquidation which has taken place. Nevertheless speculation in all departments has suffered a severe blow in consequence of the recent unexpectedly adverse developments, from which it will require some little time to recover.

Anonymous Warning Sent to New York About a Steamship.

New York, Dec. 18.—An anonymous letter has been received by Dr. Doty, health officer of this port, warning him that there are among the steerage passengers of a steamship, due to arrive here to-morrow, persons from districts of Trieste, where the bubonic plague is prevalent, who were smuggled on board the steamship after they had been examined and rejected by the inspecting physicians from the United States marine hospital service. The letter is from Naples.

Poultry and Pet Show.

The sixth annual exhibition of the Toronto Poultry Association opens at 10 o'clock this morning, at 56 and 58 West King-street, and will continue open each day until and including Friday to 10 p.m. The formal opening will take place this evening at 8 o'clock, Mr. E. F. Clarke presiding. To-morrow will be school children's day, when children will be admitted at five cents each. A novel feature of what will be the biggest show ever held in Canada of poultry, cats, canaries, pigeons and caged birds will be an exhibit several times a day of parlor tumblers or acrobatic pigeons. Another especially interesting feature will be a coup of Transvaal bonets, the same as carried the messages from beleaguered Ladysmith.

S. Ackerman, commercial traveler, Belleville, writes: "Some years ago I used Dr. Thomas' Eclectric Oil for Inflammatory Rheumatism, and three bottles effected a complete cure. I was the whole of one summer unable to move without crutches, and every movement caused, excruciating pains. I am now out on the road and exposed to all kinds of weather, but have never been troubled with rheumatism since. I, however, keep a bottle of Dr. Thomas' Oil on hand, and I always recommend it to others, as it did so much for me. ed

Heart Failure.

Kingston, Ont., Dec. 18.—On Sunday James Stigney, painter, Wolfe Island, was found dead in bed in the house of John Hogan. Heart disease was probably the cause. Mr. Stigney came to the Island from Nova Scotia some years ago, where his wife is still living. He was about 55 years of age.

HIS COAT WAS TOO BULKY.

And Hence Charles E. Pierson Was Investigated and Found to Have a Sealskin Sacque.

New York, Dec. 18.—A man who says he is named Charles E. Pierson, and that he was some time ago in the crockery business in Ottawa, Ont., was to-day arraigned before United States Commissioner Shields by Special Customs Detective Brown, and accused of smuggling a woman's valuable sealskin sacque into the country. Pierson arrived from England yesterday on the Etruria. Brown noticed the passenger coming down the gang-plank of the steamship with a bulky top coat across his arm. He thought the size of the coat suspicious, and stopped Pierson. Sewed up inside was found the costly sealskin sacque, which is the basis of the smuggling charge. The prisoner was held for examination to-morrow.

MILITARY BANDS STILL.

Recent Difficulty Seems to Have Been Settled in Amicable Manner.

The situation in the Toronto military bands seems to have changed for the better. The Queen's Own musicians talked the matter over last night, and it looks as if an amicable settlement has been reached. The bandsmen will comply with military regulations, and the officers of the regiment will not go out of their way to interfere with the Musical Union. The bands of the Royal Grenadiers and 48th Highlanders have, it is said, been reorganized on a similar understanding between the officers and the musicians.

Cochrane Lost Three Toes.

Kingston, Ont., Dec. 18.—On Sunday morning Martin Cochrane, aged 17 years, was chopping wood half a mile from Joyceville. The ax slipped and the edge struck the young man's right foot, severely cutting the three outside toes. Cochrane had to walk to Joyceville before he could procure aid. His foot was bandaged and he was driven to the Kingston General Hospital, where the three toes were amputated.
