

FRIENDS PREVAILED

A Nervous Toronto Woman Walked the Floor During the Night for Hours at a Time—She Makes a Statement.

TORONTO, Ont., Feb. 12.—"I was troubled with nervousness. It was impossible for me to keep still and all the spells came over me during the night I had to get up and walk the floor for hours at a time. My blood was very poor and I was subject to bilious attacks. My feet would swell and I was not able to do my own housework. I treated with two of the best physicians here but only received relief for a time. I became discouraged. One day a friend called and advised me to try Hood's Sarsaparilla. I laughed at the advice but I was prevailed upon and procured one bottle. Before I used it all I began to feel better. I took several bottles and also several boxes of Hood's Pills. Now I can eat and drink heartily and sleep soundly. Hood's Sarsaparilla has entirely cured me and also strengthened me so that I now do all my own work. I cheerfully recommend Hood's Sarsaparilla to all sufferers from nervousness, weakness or general debility." Mrs. H. F. PARM, Degraff Street.

Hood's Pills cure liver bile; easy to take, easy to operate. 25 cents.
