Conservative Dressers Will Appreciate the Dignity of These Suits at 25.00

THESE SUITS are a special feature of our Men's Clothing Department, for they appeal to men of maturity, who like quiet, dignified, but distinctive, clothing.

The coats are in two or three-buttoned styles and have soft rolling medium width lapels, smartly formed shoulders, correct fitting collars and straight flap pockets, and opened and closed vents. Vests are ordinary and trousers are straight and of a medium width, and with or without cuff bottoms. Sizes 36 to 44. Splendid 25.00 EATON values. Each
