

The only way left open seemed to be, as they have a reading room, to send literature from time to time. Some temperance and other papers, as well as pamphlets bearing on the subject, have been sent, and though we cannot now see the result, yet we trust that some of the seed thus sown may spring up and bear fruit, and that in the great harvest there may be sheaves of ripened grain as the result of the comparatively small efforts put forth in this direction.

PARLOR MEETINGS.

As superintendent of Parlor Socials I beg leave to report that during the year the following socials were held and much good was done.

The first Parlor Social was held at the residence of Mrs. D. Rose, there was a good programme of singing and speeches, and \$15.75 was realized for Headquarters.

Then a very delightful afternoon tea was held in the rooms, when Mrs. Thornley gave a Parliamentary drill which was very instructive and interesting and was well attended.

Mrs. Vance, of Eastern Union gave a Parlor Social, which was well attended and an excellent Programme of reading and song and speeches given. The collection was for Head Quarters \$9.75.

A tea was given in Head Quarters which called out a great many of our old members, and honorary members, and a very fine programme of reading, music and speeches made the evening pass very pleasantly and profitably. \$64.35.

In June the ladies held a Garden Party at the grounds of Mrs. Galley, Walmer Road, and in the evening a very fine programme of reading and music, etc., was given, \$18.38.

An afternoon tea was given in June, when Mrs. Williams, Dominion President, gave a Parliamentary drill which was very instructive and useful and was well attended.

In closing I would urge the different Unions to give at least two social meetings in the course of the year and I am sure it will prove of great benefit to them in many ways.
