Suggestion by Judge Barry "BOSTON BOAT" DUE Presented at Council Meeting

COM. FRINK NAMED

Gasoline Tank Question Comes Up Again—Appeals On Taxation

Commissioner Frink was elected de- service. Commissioner Frink was elected deputy mayor this morning at the first took office. The council organized with the commissioners holding the same departments as in the last council, with His Worship as commissioner of finance and public affairs. It was decided to have the appeals committee meet once a month instead of weekly. A bond issue of \$10,000 for the Civic Hydro Commission was approved and a security of the control o Hydro Commission was approved and a motion to ask the trustees of the Tuck-er Park for a financial statement and bring in a report and financial state-

The council met first in committee of the whole. R. E. Armstrong was approved of the action taken by the placing a page advertisement in the "Sailor," official journal of the Navy COUNCIL ORGANIZES.

The organization of the council was the proceeded with, and Commissioner of Canada, at an estimated cost of Canada, at an estimated cost of Six This was placed on file.

An application from H. C. Gallant for permission to erect an electric sign at the corner of Wall street and Paratise Row was referred to the commissioner of public works, city engineer and city electrician, with power to act.

Commissioner of public works, city engineer and city electrician, with power to act.

Commissioner Wigmore recommended eleases to William Kerr Z. A Young and William Graham of lands, \$8,310.54, Treasury, 100 of \$11.00 o

were over-expended.
Commissioner Bullock presented a bill of \$444.34 from T. McAvity and Sons Ltd. for drift bolts for the harbor department. This was ordered paid and the order of council of March 20 the appeals committee meet once lost changed by cutting out the words.

regulations and would be safe.

It was decided to recommend the permission on the usual safety conditions.

An application of the Imperial Oil An application of the imperial off Co. for permission to erect a steel tank to hold 910 42-gallon barrels of lubricating oil was referred to the committee of the whole for investiga-

TUCKER PARK MATTER. Commissioner Frink said it had been was discussed briefly. No action was suggested to him by Judge Barry, one of the trustees of the Tucker Park trust, that this trust be dissolved and trust, that this trust be dissolved and the money turned over to whatever the money turned over to whatever for the property and develop it. It was, he said, six years since a report had been submitted to the council on the finances of the trust and he believed the sum now amounted to about \$16,000\$. He moved that Mayor White and Judge Barry, the two remaining members of the trustees, he asked to members of the trustees, he asked to the council on formulasioner Harding.

The Civic Hydro Commission asked to \$10,000 for hydro extension, which called for a bond issue, and therefore a unanimous vote by the council under the charter.

I loaded with food were moved through the streets of London yesterday from Victoria Docks to Hyde Park.

An official report says it was the hostlity of the dock workers and their comrades in the East End to releasing the food in the dock warehouses, which made necessary the spectacular display. On the other hand it was recalled that the Trades Union Congress before the commencement of the strike declared against any interference with

While in the Maritimes he will meet representatives of various trade groups seconded by Commissioner Wigmore, it was voted unanimously to appropriate the \$10,000.

A petition from a dozen or more citizens consenting to the placing of a city rock crusher on Mrs. Mary E. Hollis' property on the Rockland road was placed on file.

An unofficial suggestion has now been put forward that as neither side will budge from their declared intentions, victims of the British general strike. The franc went above 32 to the dollar in the dispute by calling a conference of the rival parties. It is not apparent how the King could take such a step without seeming to disavow the government, which has declared that the calling off of the general strike is essential nent, which has declared that the calling off of the general strike is essential to further peace discussions, but in some quarters the belief seemed to prevall today that some way might be found to have King George intervene. The suggestion lacks any sort of official backing and is regarded by some persons as a trial balloon sent up by those anxious to establish peace.

FOR GASOLINE TANK

Commissioner Harding presented an application from King and McDonald for permission to install a 500 gallon gasoline tank at 154 St. James street and said he would recommend it to conneil. In answer to Commissioner Bullock and Mayor White he said had made no investigation and knew nothing of the location. The council had taken these matters out of his handa and it was for them to give permission or withhold it.

If the permission was given the tank would be installed under the usual graphs and would be installed under the usual graphs and mould be installed under the usual graphs and the graphs are graphs and the graphs and mould be installed under the usual graphs and mould and in the distribution from the day of the industrial PHARMACEUTICAL EXAMINA-
