

THE EVENING TIMES-STAR, ST. JOHN, N.B., THURSDAY, SEPTEMBER 11, 1924

Social Notes of Interest

Beautiful gowns, inspiring music, a delicious dinner and good speeches featured the banquet last evening in the Pythian Castle given by the City of St. John to the delegates to the convention of the Association of Canadian Clubs now in session here. Long tables were set in the assembly hall and decorated with pretty vases of flowers. On the entrance of His Honor Lieutenant Governor Todd and Mrs. Todd and party, the orchestra played "O Canada," in which all joined. The doxology was sung as a grace before meat. Five courses were served by an efficient staff. W. T. Denham distributed tickets for the special showing of pictures at the Imperial Theatre, after which His Worship called for the toast to His Majesty the King and the company sang the National Anthem. Mayor Potts, Professor Archibald MacMechan, of Halifax, and Mrs. Rhys Fairbairn, of Toronto, were the speakers. The orchestra played beautifully during the dinner with much applause from the guests. All took advantage of the opportunity to attend the very fine exhibition of scenes in New Brunswick at the Imperial Theatre where the delegates were the guests of the management, W. H. Holding, the manager, being himself in earnest member of the local Canadian Club.

There was a special box reserved for the gubernatorial party at the theatre, the group including those who had sat at the head table at the banquet and others. They were Lieutenant Governor and Mrs. Todd, the latter in a lovely gown of Nile green crepe with steel trimmings; Mayor and Mrs. Potts, the latter in a handsome gown of French blue crepe with silver overdress, beautifully draped; Commissioner and Mrs. J. H. Frink, the latter in a smart gown of black sequins, with exquisite pearls for neck ornament; Commissioner and Mrs. R. W. Wigmore, the latter wearing a black lace gown with silver lace trimmings; Commissioner and Mrs. W. L. Harding, the latter in a gown of black crepe with silver lace trimmings; Commissioner and Mrs. H. Bullock and his daughter, Miss Audrey Bullock; Mrs. Rhys Fairbairn, of Toronto, in lovely gray gown of soft crepe and chiffon, with silver overdress and modish draped effect with long necklace of the same shade as gown; Major George Keefe, A. D. C., Mrs. A. E. Vesey, St. Stephen, in very becoming gown of orange satin brocade, with silver and sapphire rhinestones.

Mothers!

Whatever kind of talcum you are satisfied with for your personal use—remember Baby needs this specially-prepared Borated powder. It must absorb moisture—alleviate inflammation and protect against friction and infection.

In Mennen Borated Talcum are safe, tested ingredients of great therapeutic value. These mild, soothing elements are most valuable in preserving the health and beauty of infant skin.

One of these elements affords cooling comfort; another is a splendid healing agent. One ingredient was chosen for its unusual antiseptic effect; while another helps in defeating friction. A fifth constituent increases the absorbency and counteracts acidity.

Baby specialists and nurses recommend that Mennen's be applied to the baby's body after every bath and change of diapers, before each nap, and whenever baby cries.

Be Sure

Real oven-baking is what makes beans best to eat and best for you.

Boiling and steaming cook away most of the bean flavor that tastes so good and most of the bean nutrient that is so good for you. Baking retains them and improves them.

You can be sure that the beans you eat are really baked in ovens if you specify Heinz Baked Beans. The label says they are baked.

Mrs. Frederick S. Dupuy received for the first time since her marriage, yesterday afternoon from 4 to 6 o'clock, at her residence, 78 Sydney street, many formally welcome the bride to St. John. The house was prettily decorated with roses and asters. In the reception room finished in blue and gold and rose, where rose asters and sweetheart roses were attractively ranged, and in the dining room the effect of yellow and blue was carried out artistically with Opheila roses in a large cut glass vase, centering the table, with yellow candles, in antique candlesticks. Blue candles were on the buffet, in Dutch silver stands, making a pretty effect and completing the color scheme. The reception was semi-formal, owing to recent bereavement in the family of the bride, who was comingly attired in a Calot model of grey crepe, embroidered with steel beads, with orchid corsage and carried a bouquet of mauve asters, Mrs. John Connor, of this city, an aunt of the bride, was handsomely gowned in black chiffon velvet, and received the many callers with her niece.

Mrs. W. M. Angus, who is a friend of the groom's family in Montreal, presided over the tea cups, and her daughter, Miss Eleanor Angus, was one of the assistants in serving. Mrs. Angus wore a gown of navy blue Canton crepe, squirrel fur and black velvet hat with ostrich. Miss Eleanor was in powder blue crepe with grey hat. Mrs. Dupuy's guest from Boston, Miss Adelaide Proctor Buckley, was gowned in a Molyere model of black crepe, with jet trimmings, and Miss Geraldine Carleton, of New York, wore a flowered chiffon, with slip of orchid satin and orchid picture hat.

Luncheon was enjoyed at the Clifton Hotel yesterday noon by the visiting graduate nurses to the provincial convention, the hostesses being the local chapter of nurses, with Margaret Murdoch, R.N., superintendent of nurses in the General Public Hospital, presiding. Mrs. Fred Dunlop was convenor for arrangements. There were no special decorations, the subjects on hand for the discussion preceding formalities. The time was spent in addresses and interchanges of ideas, as soon as the lunch was disposed of. Most of the nurses left on the afternoon or evening trains for their respective homes. Many expressions of gratification were heard at the cordial hospitality of the St. John chapter and other friends during their stay.
