

O'HEARN KILLED IN MOTOR CRASH

Father of Yale Athlete Victim of Collision in Waltham.

Boston, Aug. 30.—Michael O'Hearn, 68, a contractor, of Brookline, and father of Charles M. O'Hearn, Yale athlete, died on the operating table at the Waltham hospital, after an automobile accident on the highway between Watertown and Waltham. Michael Flaherty, 30, of 10 Winthrop street, Watertown, driver of the automobile that crashed into the car in which Mr. O'Hearn was driving alone, was placed under arrest at the Waltham hospital, charged with manslaughter and with driving an automobile so as to endanger the lives of the public. He is somewhat bruised and cut, but not seriously injured. Another May Die. Tony Gingre, 38, a farmer living at 516 Main street, Watertown, who was

in the automobile with Flaherty, also is at the Waltham hospital, under treatment for a fractured skull. There is little hope for his recovery.

The accident happened just before 2 o'clock. Mr. O'Hearn, who had been inspecting a highway job his men were doing in Lincoln, was driving to his home in Brookline. Near the Ridgeway cemetery road the touring car driven by Flaherty suddenly appeared proceeding rapidly in the opposite direction. O'Hearn tried to avoid a collision, but the cars met head on and were wrecked. Gingre, the police say, had been to Flaherty's garage to consult him regarding some automobile repairs and was being taken home by him.

Mr. O'Hearn was a member of the town meeting from precinct 6 and a member of the Brookline planning board since its organization. He also was a member of the B. A. A. Clover Club, Tremont council, K. of C. and St. Lawrence court, M. C. O. F. Surviving him are his widow, who was Miss Margaret A. Ewing; two daughters, Mrs. John F. Flynn and Mrs. Carroll C. O'Neill, both of Brookline, and five sons, Charles M., the Yale football player and captain of the Yale baseball team for 1924; William J., Francis J., Edmund F. and John E. O'Hearn, who was captain of the Cornell football team.

KEEPING STAINS OFF TAN SHOES

There is no shoe which looks more unsightly, when not polished, than a tan shoe. If you go out in the rain when your tan shoes are soiled, stains may be left in the leather which it may be impossible to remove. No tan shoe can look well which is stained and discolored. But you must be careful in the kind of tan polish you use. Tan-O preserves the fine texture and natural color of the leather, keeps it soft and pliable and adds to its wearing qualities.

TEACH SAFETY IN CHICAGO SCHOOLS

Systematic Classroom Work in Fundamentals Planned.

Chicago, Aug. 30.—(Associated Press.)—Systematic classroom work in safety education for every child in the public schools is Chicago's plan in the nation-wide campaign to check the mounting toll of accidental death and injury.

A plan for schooling in accident prevention, safety methods, and first aid activities drawn by a committee appointed by Superintendent of Schools Peter A. Mortenson will be put into practice in the elementary schools at the opening of the fall term.

Safety education through slogans and jingles, class room games, themes, dramatization and debates is a part of the plan. In addition, an effort will be made to relate accident statistics with the students' work in arithmetic, grammar and geography.

"Experience in several cities has shown," Mr. Mortenson said, "that safety education in the schools has

been the most effective agency in reducing the number of accidents to children."
The programme approved for Chicago, and believed to be more extensive than any in use elsewhere was arranged by principals in schools here, in co-

operation with more than 50 agencies interested in the aims of the undertaking.

"It does not contemplate the addition of a school subject," Mr. Mortenson explained, "but rather the implication in several subjects of concern for the safety of children."

Separate treatment of various classes of accidents in successive months is provided. September, October and November are given respectively to street dangers, fires, and weapons; the next three months to burns and scalds, poisons and asphyxiation, and electricity; and March to June, inclusive, to falls, railway accidents, carelessness in play, and drowning. The work under each monthly classification will be graded to meet the requirements of the various ages between the first and eighth grades.

"From sense training in the kindergarten to elaborate projects for study in the upper grades, there is opportunity, without serious detriment to other worthy subjects, to develop in the child attitudes and habits of thought and action that shall serve in the earlier stages to protect him from harm, and in the later stages, help him to protect others from harm," said Mr. Mortenson.

Made in Canada

PALMOLIVE
SHAVING CREAM

To save shaving time is important. To save sensitive skin from irritation is more important. For millions of men we have done both. Now we ask you to make the same shaving discovery they made. Test this new shaving comfort at our expense.

It took 18 months' work—130 laboratory experiments—to perfect Palmolive Shaving Cream for you. But in these 5 ways it gives you better, faster shaves:

Multiplies 250 times in rich lather.

Softens beards in one minute—no rubbing.

Lather lasts 10 minutes, if necessary.

Strong bubbles hold hairs erect—making it easier to cut cleaner.

Your face is left cool, comfortable—soothed by the blended palm and olive oils.

We give you the first 10 shaves free. In that time you will know whether or not we've produced a real blessing for men—or have failed. In any case, only we can lose. Make the test. Post the coupon today.

BASSEN'S Grand Removal Sale!

Starts Friday Aug. 31, 9 a. m.

After 13 years of successful business we were recently leased out and forced to move by May 1st. Fortunately we have succeeded in procuring a store which is larger, better and brighter. This store, formerly occupied by Donaldson Hunt & Son, is opposite our old location, and it is our intention to move into our new quarters on or about Oct. 1st. In the next 30 days our stock must be reduced as much as possible in order to make a complete change. We ask you to help us and will make it worth your while by reducing our prices in every line. Come and remove our goods to your homes at money-saving prices and save us the work of moving it ourselves.

LADIES' AND CHILDREN'S WEAR
