

GIVES CONCERT AT COUNTY HOSPITAL

St. Mary's Band Entertains Patients With Delightful Programme.

The patients at the St. John County Hospital were given a real treat last evening when the St. Mary's Band, under the baton of Bandmaster Harold Williams, played an enjoyable programme.

St. Mary's Band, since coming home from overseas, have been ready to assist in any worthy cause. Last evening's concert inaugurated their programme of visits to various institutions during the winter season.

The patients expressed their thanks to Bandmaster Williams and his musicians and voiced the hope that they might come again.

The members of the band were entertained afterwards by Miss Carrie Hill, matron, and the nursing staff. The patients hoped that some of the other bands would also call at the hospital.

Last evening's programme follows: March, "Bavards," Starke. Overture, "If I Were King," Adam. Waltz, "Sunset on the St. Lawrence," Heller. Piccolo solo, "Sunrise in the Forest," Bandman Thome. Frotrot, "Bebe," Silver. "Echoes from the Opera," Mackle-Doyer. March, "Belphégor," Brepant. God Save the King.

LEACONFIELD IS AT ANCHOR

The dredge Leaconfield, which, in tow of the tug Margaret A. Hackett, J. H. Hackett and Gopher, set out yesterday morning for Digby but was forced to turn back on account of the storm which was raging is still riding at anchor in Courtney Bay. An official of the St. John Dry Dock & Shipbuilding Co., Ltd., when asked about her proposed trip to Digby to do some dredging there said that this morning was not yet favorable for a safe passage and no definite time had been fixed to tow the Leaconfield across the bay.

LONGSHOREMAN ANOTHER HOTEL UP FALLS INTO HARBOR NORTH IS POSSIBLE

Truckload, Too Heavy for Him, Follows Him Into Water.

Joseph Dunn, 18 Bellevue avenue, North End, has a narrow escape from death on Tuesday night while working on the steamer Manchester Regiment. The man was engaged in trucking freight from the steamer down a gang plank to the warehouse. One truckload proved too heavy and forced him to jump from the staging a distance of about 30 feet into the water between the wharf and the side of the steamship. The truck and load of freight followed but, fortunately, did not strike the man in the water.

Mr. Dunn managed to keep afloat until some fellow workmen threw a line to him. While he thus supported himself a snag was made fast about his body and he was hoisted on board the ship. He was taken into the shed and supplied with dry clothing, and later removed to his home in a taxicab.

Dr. Hayes H. Case was summoned and is treating the man for shock and a severe chill owing to his sudden immersion into the cold waters of the harbor. It is understood that Mr. Dunn escaped any injuries.

C. N. R. Reported Contemplating Building Modern House

(Campbellton Tribune.)

Rumor has it that the C. N. R. are contemplating the erection of a large modern and up-to-date summer hotel at a point along its main line some fifteen or twenty miles below Campbellton. C. N. R. officials have on several occasions been looking over suitable sites for such a hotel in Restigouche county, and were again in the district yesterday on the same mission. A particularly large tract of land, it is said, is required. Not along the whole main line of the C. N. Railway could a more suitable place be secured for a summer hotel as the district which it is currently reported the railway have in view. This morning the Tribune got in touch with the railway authorities who would neither confirm nor deny the report. It is known, however, that the present management of the C. N. Railway has expressed the opinion that the erection of summer hotels along the main line of the railway would be a profitable investment, not only from a hotel standpoint but for the railway itself, in the increased business it would create for the railway. As pointed out, no better site for a summer hotel could be secured by the C. N. R. than the site now said to be under consideration.

CASE GOES OVER.

A report has been made against Hymen Taker for obstructing the sidewalk in Pond street with old iron and junk. His case was called in the Police Court this morning a little after 10 o'clock, but he failed to put in an appearance. Later Heber S. Keith appeared on his behalf and the case was set over until Monday morning with an understanding that the old iron and junk be removed.

PRICES WERE IRREGULAR AT OPENING OF WALL STREET BUSINESS TODAY

Gains and Losses About Even in Initial Transactions—Montreal Dull.

New York, Dec. 7.—Stock prices developed considerable irregularity at the opening of today's stock market. Gains and losses about evenly divided in the initial transactions. Operations for the day were resumed in several sections of the list, Tobacco Products jumping 1 1/2 to 7 1/2, another new 1923 top, and Davison Chemical climbing a point. The market, however, was called upon to absorb a large volume of profit-taking, Pan-American B. dropping 1/4 points.

Montreal, Dec. 7.—Trading was dull and prices easy at the opening of the stock market today. Only a handful of issues appeared in board lot quantity during the first half hour. Spanish River led the market in point of activity and was easier, being off 1/4 to 1/8. The preferred was also down 1/4 at 105.

HAROLD LLOYD'S LATEST MONDAY

Harold Lloyd's latest and absolutely funniest film-feature comedy, "Why Worry," is to be the three-day attraction at Imperial Theatre, starting Monday. Everywhere this six-part production has been a sensation of fun. It deals with the adventures of a young rich man and his pretty nurse in a tropical country during a revolution, while the millionaire is seeking health. It is a better picture than "Safety" and "Last," and that is saying a great deal.
