

FROM ARTILLERY EXPECT ORDERS TO LEAVE TOMORROW

Special orders have been received by Col. B. R. Armstrong, commanding the 3rd Regiment, C. A., as they are required to entrain Valcartier, Que., but an indefinite morning seemed to indicate that later orders would be sent for them to depart tomorrow. It is expected they will leave on a special train tomorrow evening, coming in from the island late in the afternoon, forming in line at the ballast wharf and with the regimental band playing at their head, march off to the depot. Eighteen men from P. E. Island, volunteers from the Charlottetown Heavy Brigade, arrived in the city today and will be added to the strength of the local volunteer unit from the 3rd regiment.

Major Hayes and Sergeant-Major Sluder returned yesterday from Minto where they secured twelve recruits for foreign service, stationed on Partridge Island. Instructions were received yesterday afternoon for the men to hold themselves in readiness to entrain for Valcartier between Friday noon and Saturday at 6 p. m. About thirty more men are required to complete the establishment which the artillery has been asked to take. Col. B. R. Armstrong was honored this week by receiving an offer of the post of commander of the divisional am-

THOSE CATTLE AT LARGE

To the Editor of the Times— Sir—In regard to some complaints from time to time in the Times as to cattle which are allowed to run at large on the Red Head Road, I wish to say that the only parties who are to blame in this matter are three county councillors, Messrs. Carson, Shillington and Stephenson. In the early summer certain residents of Red Head undertook to have the law enforced regarding cattle roaming at large on the road. To please a certain number of their supporters who wished to have the cattle on the road the councillors signed a petition exempting a large portion of the Red Head road for cattle. To my mind it was an unwise thing for them to do. Yours, EAST ST. JOHN.

MORE MONEY FOR THE RELIEF FUND

Workers Report Good Start in Collecting A SUGGESTION

One Man Writes Letter Referring to Contributions From Salaried Men—Meeting of the Committee This Morning

Reports of the completion of ward organization and the commencement of the work of collecting funds marked the meeting of the executive of the citizens' patriots and committee this morning. The meeting was held in the Board of Trade rooms at eleven o'clock, A. P. Barnhill presiding.

The secretary reported that Mrs. E. A. Smith and Mrs. J. H. Frink from the Women's Auxiliary Club; Mrs. M. B. Edwards from the Victorian Order of Nurses; and Mrs. Lawrence representing the advisory board of the St. John's Patriotic Society, have been added to the ladies' auxiliary. The ladies have been called to meet at three o'clock on Friday afternoon for organization.

Several applications for assistance were received and referred to the relief committee, and there was a general discussion of relief measures. Commissioner Potts, reporting on the work of the committee to date.

The following letter was read by the secretary: St. John, N. B., Aug. 27, 1914. A. P. Barnhill, Esq., Acting Chairman St. John Committee Re Patriotic Fund: Dear Mr. Barnhill:

Many of our citizens are not now in a position to contribute as largely to our relief fund as they would desire. A large percentage of our citizens are recipients of salaries. Our brave soldiers boys have given up much for the benefit of those left behind. Our people who continue to enjoy their homes will be willing to make some sacrifices.

I would suggest that your collectors allow our salaried or other citizens to obligate themselves to pay a certain sum each month for at least a year, or while the war lasts. This would necessitate more work for your collectors, but I believe you would in this way receive much larger subscriptions. Nearly every citizen would be willing to make self-denials for such a worthy cause.

I hereby pledge myself to pay \$10.00 a month for one year, or until this crucial war is over.

Yours truly, (Sgd.) C. W. MERRITT. The thanks of the committee were extended to Mr. Merritt, and his suggestion referred to the treasurer with instructions that any subscribers who wished to contribute monthly should be given the opportunity to do so.

Commissioner Russell reported a contribution of \$50 from the employees of the city ferry department.

For the Queens ward committee, R. E. Church reported that the canvassers at work, and that \$1,496 has been collected already.

The treasurer reported the receipt of \$149.28 from Mack's Musical Revue Company, the proceeds of their benefit matinee. Mr. Alexander reported the character of the performance given and of the spirit which actuated the visiting company in co-operating with the committee so heartily.

Commissioner Wigmore reported a contribution of \$50 from the employees of England lodge, and suggested that other societies might also contribute if the matter were laid before them.

M. E. Agar reported that the collectors have commenced work in Dufferin ward and have received \$10 this morning. The committee spent some time discussing plans for the farewell demonstration in honor of the artillery detachment which will leave for Valcartier at the end of the week. The committee adjourned to resume tomorrow morning.

Commissioners Potts, Wigmore and Russell constitute a committee to receive application from soldiers' families who are in need of help. Such applications will be received only between four and five o'clock in the afternoon at the commissioners' offices in city hall, at least one of the commissioners will be on hand each day at that hour for the purpose.

The representatives of the women's patriotic and benevolent associations, who have been chosen to form a auxiliary relief and visiting committee for the families of soldiers, are requested to meet in the council room of the board of trade on Friday afternoon, August 28, at 8 o'clock, for organization purposes.

The secretary of the board of trade has received a communication from Acting Premier Clarke thanking the board for the offer of their rooms for a conference between the government and the business men of St. John on war exigencies. Hon. Mr. Clarke says: "Arrangements had been nearly completed under which his honor the lieutenant-governor and a member of the government were to ask for a conference similar to that suggested, but circumstances which were unavoidable intervened. As soon as opportunity arises a meeting of the character proposed will be sought, when I am sure the government will be glad to avail itself of the kind offer of the board."

Mayor Frink acknowledges receipt of \$15 from Hugh Connel for the patriotic fund.

The Prince Ward committee have appointed the following additional members:—George A. Knodell, James Ryan, John H. Walker, George H. Waterbury, E. Clinton Brown, W. H. B. Sandler and William Knodell.

The ward has been divided into six districts as follows:—J. H. Walker and G. H. Waterbury, north side of King street east of the sides of Elliot Row and the intervening cross streets.

John O'Regan and James Ryan: North side of King square, Charlotte, Union and Sydney streets; also east side of Brussels to Richmond down Richmond to St. Patrick westerly side of St. Patrick to Union and along Union to Brussels.

INTERESTING An unusual condition existed in the harbor yesterday before the sailing of the brigantine Maria Lorenso, when there were in the harbor at one time a bark, a barkentine and a brigantine. In these days of steam navigation the arrival of a brigantine alone is a rare occurrence, happening perhaps not as often once a year and the presence of all three is worthy of note.

BOARD OF TRADE INQUIRIES The board of trade has received an enquiry from wire manufacturing firm at Worcester, Mass., with respect to the wire industry at St. John. The increased number of industries coming to the board of trade from United States manufacturers would indicate that our neighbors are looking in the direction of Canada for new business prospects. The board of trade has expressed a concern with respect to the establishment of a coal agency at Buenos Ayres. The subject is a little outside the board's province.

A PRESENTATION A very pleasant incident occurred at St. Patrick's Industrial School last evening, when the Misses Agnes Moriarty and Charlotte Poole, on behalf of a few friends, presented Sister Ida with an address and purse of gold, in recognition of the efficient services rendered by her as organist of St. Joseph's church. Sister Ida is leaving to take up new duties in the Sister's Hospital in a few days.

CLOSING PLANS OF FAIRVILLE STORES Their Arrangement Has Worked Out to Satisfaction of All—Church Garden Party

Candy and ice cream table was under the supervision of Miss Armstrong, assisted by several young ladies. Chas. Hill officiated at the refreshment booth.

Season if ever, have the church grounds presented such an attractive appearance and the promoters are being congratulated on their efforts in this respect.

Mr. and Mrs. S. A. Worrell are visiting in Halifax this week. Mr. Worrell is attending the Teachers' Institute.

Rev. Gilbert Earle is expected home Friday and will resume his pastoral duties in the Methodist church, Sunday evening.

The general understanding among store keepers that the Thursday evening closing should only continue through the summer months, seems to be losing popularity, as the merchants have had opportunity to experience a night of close work without interfering with trade. Several have already expressed themselves as favorable to continuing the closing movement right along during the winter, and thus add a saving of light and in most cases fuel, to the already recognized merits of the movement.

Others would add Tuesday or some other night as well, feeling that little or no business would be lost in closing two evenings.

The principal feature of the summer closing has been the absolute concord among the dealers on the question, and if that spirit is maintained they will all benefit in the long run, is the feeling.
