GOOD THINGS COMING TO THEATRES OF ST. JOHN

MILIE VERLET

TO GIVE CONCERT

WEDNESDAY OCT. 22

Wednesday, October 22, we will have an opportunity to hear Milie Verlet, the "Little Queen of Song" as she is lovingly called in her own home country near Brussels.

Milie Verlet came to America direct from the Paris Grand Opera Company where she was premier coloratura soprano. She had a brilliant reputation which she acquired in musical centres of Europe, and her coming to America has only increased her fame. For American music lovers were not at all disappointed in Milie Verlet's marvellous voice. In spite of her great reputation.

Milie Verlet was in Brussels when the war broke out. Of course she and her mother were obliged to close their house and flee in haste, just getting away before the German's advanced.

Her brother was less fortunate, however. He was a retired officer in the Belgian army and after seeing his sister and mother safely out of the country, he determined to go back and offer his services to fight the foe. Before he could reach Antwerp, however, he was arrested by the Germans. "Arrested" we call it, but the German way of making the arrest in this case was to knock M. Verlet down, beat him with the butts of their rifles and then force him to march several miles to Brussels, where he was imprisoned and left two days without food. But the soldier was a Belgian, so M. Verlet was able to escape by bribing him, and was finally taken to a hospital. M. Verlet's injuries proved so serious that he spent fourteen months in bed. He was quite unable to work so escaped deportation to Germany.

Milie Verlet's concert here will be an invitation affair and the musical fans of St. John will be there in full force. This concert will be a long looked for opportunity to hear the wonderful golden voice of the gifted Belgian.
