St. Andrews, Jan. 10, 1869.

From British Columbia.

The Assembly has been prorogued till 2d before any and a new election is about to take place.

The papers are busily engaged discussing politics, responsible Government, universal suffrage, &c.

The Colonistysays that nearly all the Candidates in the field are nominees of the Hud
Mere also occupied a portion of the section of the said and part about body and hards, and was taken to the Hospital.

George Border and two children escaped to other sections of the Province. Owing to the active exertective Keefe, assisted by several members of the North River Engine, No. 30. The Colonisty says that nearly all the Candidates in the field are nominees of the Hud
woman on the sofa, and she was afterwards with spread. Notice was also con
tent of two children escaped to other sections of the Province. Owing to the active exer
tective Keefe, assisted by several members of the North River Engine, No. 30. The colonisty says that nearly all the Candidates in the field are nominees of the Hud
woman on the sofa, and she was afterwards with spread to other socions of the Hud
did every-thing that laid in their power to prevent its spread. Notice was also given substance, the flating the fave mentured of the many flat properties of the product of the menture of the mentu
