

# An Interesting 20 Days' Sale!

## FOR SHARP SHOPPERS

Commencing Saturday, July 3rd, at 8.30 a. m.

Most of you know that we usually hold a semi-annual sale in August. This year we purpose giving you this great buying opportunity four weeks earlier. Having taken a preliminary census of the store's stocks, in every department we find a surplus that must be sold, we would rather see these goods out of the way at a fair loss than carry them over. The quality of our stocks is so well known that we do not need to emphasize this fact here. When we say "Special Sale," the wise shopper will come.

You get an inkling of the sale prices from the following items:

### Our way of selling dry goods

is not to let them linger too long. If a loss must be taken there is no hesitation in cutting down prices like this:
