almost imperceptible.' The concluding paragraph of this same speech is, however, of more pregnant importance and demands more serious cand demands more serious stance and demands more serious stance and for the unity of the integrity of the Empire. Listen sideration from every Canadian who stands for the unity of Canada and the integrity of the Empire. Listen to the words of the President of the United States:

"'I have said that this was a critical time in the solution of the question of reciprocity. It is a critical time because, unless it is now decided favorably in regard to reciprocity, it E. G. Warren Appointed Sucis exceedingly probable that no such opportunity will ever again come to the United States. Forces which are at work in England and in Canada to seperate her by a Chinese wall from the United States and to make her a

United States because it will prevent a creation of a system of mutual trade preferences within the Empire. He emphatically declares that this is the last opportunity for the United States to consummate the trade agreement with Canada which will desiror than the trade agreement with Canada which will desiror than the trade agreement with Canada which will desiror than the size of the trade agreement with Canada which will desiror than the size of the trade agreement with Canada which will desiror that the firm knowledge that nothing but of inter-imperial preferences to which is left the size of the success of the firm knowledge that nothing but of inter-imperial preferences to which is left and Australia.

Another matter in which the local branch of the league is deeply interested. Wotes of thanks to the artists and the sporting of the chairman, followed by the singing of the doxology and the various industrial and the various industrial and agricultural points on the island in the limit of the benediction by Rev. W. Baugh Allen, brought a very pleasant evening to the firm knowledge that nothing but interested. Mr. Wilson is an enthing but the firm knowledge that nothing but the close.

The credit for the success of the branch of the Empire He strongly urges that this for the progressive strides the com-Canada with will destroy that policy of inter-imperial preferences to which Sir Wilfrid Laurier piedged himself confirmed in the colonial conference of 1902 and the imperial conference of 1902 and the imperial conference of 1902 and the operations of the mother country and self-the operations of the sent self-the operations of the sent self-the operations of the small stump, the shock throwing interest the feet that two frames control that two frames come from an Australia. In content this proposition a small stump, the shock throwing interest transfer of a novernment of the small stump, the shock throwing interest transfer operation of the small stump, the shock throwing interest transfer operation of the small stump, the shock throwing interest transfer operation of the small stump, the shock throwing and an assistant to opposite the small stump, the shock throwing and an assistant the opposition of the south state of the cont
