ENGINEER SUCCUMBED.

Philadelphia, Pa., Jan. 28.-William Wise, aged 52 years, an engineer on the Pennsylvania railroad, is dead from exnight. Edward Lapp, of Berwind, Pa., is tireman, is missing, and is believed to

have been frozen to death. Wise on Wednesday night brought a train from Harrisburg to this city. At Bradford hills, about 30 miles west of this city, his train collided with a snow plough, and the engine was slightly damaged. Fireman Lapp went back to flag the train following, and nothing has since een heard of him.

When Wise reached the west Philadelphia station he asked to be relieved from duty. He was ill, and went to the
