

TESTIMONY FROM WELL KNOWN PEOPLE.

ST. JULIE, Que., 17th July, 1886.

I, the undersigned, testify that I have sold Campbell's Tonic Elixir for some time past, and I am prepared to prove that it is the best tonic for Dyspepsia that I have seen up to the present. I consider it a duty to recommend it to the public.

GEO. TURCOT.

MR. G. A. HAMMOND, Kingsclear, N.B., writes, June 10th, 1886: Please send me a further supply of Campbell's Tonic Elixir at once, as the last lot received is completely exhausted, and the demand for this excellent preparation is increasing.

ST. DENIS, 17th May, 1885.

DAVIS & LAWRENCE CO. (LIMITED), MONTREAL.

GENTS:—When I was in Montreal, two years ago, you got me to take upon consignment a small quantity of Campbell's Tonic Elixir. I am well pleased at having done so, as this remedy has become very popular and easy of sale. It is not necessary to seek far for the cause of its popularity, because I know of cases, and I have heard of others, where it has been employed with the best results for weakness, palpitation of the heart, impoverishment of the blood, loss of appetite, and other diseases of the same class. Amongst those who have employed it are persons who would not take a medicine a second time that had not great merit.

I have pleasure in adding to this testimony the certificates of my friends who have been cured or who have received benefit from the use of Campbell's Tonic Elixir.

MADAME FRs. LAPIERRE, of St. Antoine, has been cured of palpitation of the heart in February last, and is well now. MADAME GEOFFRON, of St. Denis, tried it at the same time with success.

G. CHEVALT.

A MAN with a handful of bills stopped Frank Duffy and said emphatically: "Now, I ask you for the last time to pay this bill for them boots." "Is this the last time, sure enough--no humbug about it?" "Yes, sir, this is the last time." "Heaven be praised!" said Duffy, with a sigh of relief. "I thought I was never going to hear the last of those boots;" and he strolled off to get a cigar.

CAMPBELL'S TONIC ELIXIR.

This agreeable yet potent preparation is especially adapted for the relief and cure of that class of disorders attendant upon a low or reduced state of the system, and usually accompanied by Pallor, Weakness and Palpitation of the Heart. Prompt results will follow its use in cases of Sudden Exhaustion arising from Loss of Blood, Acute or Chronic Diseases, and in the weakness that invariably accompanies the recovery from Wasting Fevers. No remedy will give more speedy relief in Dyspepsia or Indigestion. For Impoverished Blood, Loss of Appetite, Despondency, and in all cases where an effective and certain Stimulant is required, the Elixir will be found invaluable.
