Of the Ours of Skin Diseases when

My disease (psoriasis) first broke out on my left cheek, spreading across my nose, and almost covering my face. It ran into my eyes, and the physician was airaid it would loss my eyesight altogether. It spread all over my head, and my altogether. covering my face. It ran into my eyes, and the physician was afraid I would lose my eyesight altogether. It spread all over my head, and my hair all fell out, until I was entirely hald-hashed; it then broke out on my arms and shoulders until my arms were just one sore. It severed my entire body, my face, head, and shoulders being the worst. The white scabe fell constantly from my head, shoulders, and arms; the skin would thicken and be red and very itchy, and would crack and bleed if serationed. After spending many, houdered of dollars, I was pronounced incurable. I heard of the CUPICURA REMEDIES, and after ming two bottless CUPICURA REMEDIES, and after ming two bottless CUPICURA REMEDIES, bottless of CUPICURA SHOULDERS, I was sunned curred; and when I had suffered for five years.
