Capture of Rihlung Fort Was a Bloody Affair--- Defenders Were Nearly All Killed.

AN IMPORTANT CAPTURE. quarters of the army besieging Port Arthur, telegraphs that on the night of Dec. 28, after the occupation of Rih-lung Fort, a small body of Russians still offered resistance in the passage between the siege gun line and the gorge. At three o'clock in the morning they were dislodged entirely and the occupation of the fort became secured. According to the statement of three prisoners, the defenders of Fort Rihlung prisoners, the defenders of Fort Rindus numbered about 500 besides some sailors. A majority of the defenders were killed. The trophies captured with Fort Rindung include four large calibre guns, seven small calibre guns, thirty seven-millimetre guns, two machine guns and much property as yet unenguns and much property as yet and y
