ters are filled out and forwarded to me  
at least two weeks before the meeting  
of the association. Let every church be  
represented, and every blank be  
filled as far as possible.

I. E. BILL, Clerk of Association.  
It has been considered advisable, at the  
close of the meeting held in St. John to  
consider separate Convention affairs, to  
hold a meeting of the officers and Ad-  
visory Board of the N. B. Y. P. U. of the Mar-  
time Provinces. As there are matters of  
importance to be considered, and this the  
first opportunity of holding a represen-  
tative meeting, it is earnestly requested  
that all interested will make it a point  
to be present on Thursday, June 1st.

J. K. ROSS,  
Pres. Maritime Union.  
The general annual meeting of the  
Union Baptist Education Society will  
be held in the vestry of the Germain St.

in the city and county of St. John, on  
Tuesday, the 30th day of May inst., at  
eight o'clock in the evening, and at such  
meeting the reports of directors and  
officers will be received, the directors  
for the ensuing year elected and such  
other business transacted as may legiti-  
mately come before the meeting.

AMON A. WILSON, Sec.  
Brethren expecting to attend the  
Brussels street convention on the 31st  
inst., will notice carefully the following  
reduced rates allowed by various lines  
of travel. The Egin, Peticodiac and  
Havelock Railway and the Canadian  
Eastern Railway will grant return fare  
to all attending. A certificate signed by  
the secretary of the meeting, stating  
at what point the delegates started, must  
be presented to the ticket agent on re-  
turn, when the return ticket will be  
issued free. The Central Railway will  
grant the same if ten delegates travel  
over their road. The Salisbury and  
Harvey Railway will allow return fare  
on presenting our certificate to the con-  
ductor on the train. The steamer May Queen  
will grant return fare, also on presenta-  
tion of the certificate, but no fare to be  
less than fifty cents. The Intercolonial  
Railway and Shore Line Railway grant  
return fare if delegates get certificates  
from the agent when purchasing their  
tickets at starting. Unless they apply  
for this certificate at the starting point  
they will have to pay full fare on return.  
Those coming by Canadian Pacific  
Railway must also apply to the ticket  
agent for certificate at the starting point.  
Their wives can obtain similar certifi-  
cates and the same rates. If fifty or  
more come they will get return tickets  
at one-third fare on presenting the  
above certificate signed by our secretary.  
If less than fifty attend they must pay  
one-half fare on return. Do not fail in  
all cases to state that you are coming to  
attend the meeting, and wherever re-  
quired get the standard certificate when  
buying your ticket at the start. I have  
not yet received an answer from the  
Star Line Company of steamers, but  
presume they will allow the usual reduc-  
tion. On consultation with the chairman  
of last meeting and with the committee  
previously appointed we have thought  
that to make any change in date on ac-  
count of the Acadia anniversaries would  
now cause much confusion. The meet-  
ing will therefore take place in Bruden-  
street church on the date announced by  
circular, Wednesday, May 31st, at  
seven p. m. W. E. MCINTYRE, Sec.

Association, whose clerk, Rev. T. B. Ly-

instances the letters have been sent to  
the pastors. If clerks do not receive the  
blanks within ten days they should drop  
a card to the undersigned. Blank tables  
for statistics have also been mailed to  
the clerks of the local associations.

TAYLOR.—At Amherst, May 13, He'na  
M., beloved wife of A. D. Taylor, and  
daughter of H. H. Road, M. D., aged 26.  
Vivacious, religious, loving, cherishing  
right deeds, she has obeyed the mandate  
to lay aside, and with perfect confi-  
dence in Him who has called her away  
has departed thus early to her rest.

**SOLOMONS.**—A Freeport, N. S., May 13,  
Mary, the beloved wife of Walter Solomons,  
aged 22 years. She was a member  
of the Weymouth Baptist church. An  
infant son is left without a mother's  
care.

JONES.—On April 3, at 1 a. m., at the  
residence of his father-in-law (Mr. G.  
W. Owen), Shelly Beach Road, Fousonby,  
the Rev. John Hughes Jones, eldest son  
of the late Rev. D. Jones, of Llangollan,  
North Wales, aged 29 years.

MUSCROVE.—Susannah, widow of  
Joseph Musgrove, died at Summerville,  
April 22, in the 8th year of her age.  
While, in common with God's people,  
she had many trials, her faith endured  
to the end, and she has passed to her  
reward.

BAKER.—At Malden, Mass., May 5, of  
consumption, Ella S., beloved wife of  
Samuel W. Baker, aged 41 years. Sister  
Baker was baptized into the fellowship  
of the Upper Wilmot Baptist church,  
the past eight years her life went to  
live in Malden, and united by letter  
with the Maplewood Baptist church,  
where she maintained a consistent mem-  
ber until her death. She leaves a sor-  
rowing husband and two children to  
mourn their loss.

WORDEN.—At St. John, May 10, of  
inflammation, Fred J. Worden, aged 33  
years, leaving a widow and a little child  
2 1/2 years old. Deceased professed faith  
in Jesus, was baptized by Rev. E.  
H. Howe. Was a member of 1st Johnston  
church. His remains were brought to  
Thornton for interment. Funeral was  
conducted by Rev. S. D. Ervine, assisted  
by Rev. S. Perry (P. C. B.) and E. C.  
Jenkins, Jr. The sympathy of the com-  
munity is extended to the bereaved.

STEVES.—At Upper Dorchester,  
Westmorland Co., on the 4th inst., Julia  
Stevens, daughter of the late Nathaniel  
Meritt Steves, aged 41 years. During  
the past years her life, though  
cheered by tender care of friends, was  
one of suffering, which she bore in  
sweet patience and strong faith. She  
sought to walk with Christ. Her walk  
has not been interrupted; only trans-  
ferred. Her memory blossoms even in  
the dust. Appropriate services were  
held by Rev. J. Goodwin.

ANGUS.—At Pagwash, at the resi-  
dence of his sister, Mrs. T. H. DeWolf,  
April 17, in the 60th year of his age,  
Bro. Jeremiah Angus. Our brother  
was a member of the Baptist church at  
Norfolk, Mass. He was baptized at  
Pagwash about 35 years ago by the late  
Rev. Mr. Fowhey. Bro. Angus during  
his illness was very happy in Christ and  
would quote God's precious promises  
with great delight. He longed for the  
hour to come when he would depart and  
be with Christ. "Blessed are the dead  
that die in the Lord."

SCURRY.—On January 25, after a  
lingering and severe illness, Caleb  
Schurman, Freetown, P. E. I., passed to  
the "rest that remains." He was born  
April 19, 1823, and married November  
7, 1845, Miss Frances White. Thirty-  
two years ago our brother, with his wife,  
united with the Bedoune Baptist church  
under the ministry of Bro. Dabson. Of  
this church he continued a loyal mem-  
ber until called to join the church above.

If the pastor wanted a man at white-  
heat with revival enthusiasm; if he  
wanted one to pray fluently or to speak  
eloquently, he would be as likely to  
select another member as Bro. Schur-  
man; but if he would point out one  
whose child life was so sacredly saved;  
one whose life spoke constantly for Christ  
and His cause; one who always aimed  
to make the pressure of harvest or any  
other work bend to the more important  
duty of attending a conference meeting;  
or any other meeting to advance God's  
cause and testify in his modest way for  
Christ; and if he wanted to reach a con-  
secrated pure as well as a consecrated  
man, he could not go amiss in selecting  
this dear brother. Several years ago he  
had the great joy of seeing his two

daughters—now Mrs. James Good, Jack-  
sonville, N. B., and Mrs. Major Schur-  
man, Summerville, P. E. I.—and his only  
son Gordon, all become active members  
of the church he loved so well and sup-  
ported so liberally. To these as well as the  
dear widow, who almost sacrificed her  
own life during the last weary months  
of suffering, for the relief that the  
fondest hopes could not bring; to the  
other relatives, to the church and to the  
community we tender our sincerest  
sympathy and mourn together over a  
personal loss. From his beautiful  
earthly home, probably the finest farm-  
house on the island, he has been borne  
to the only perfect one, "the house not  
made with hands."

Weeks.—At Dartmouth, May 11th,  
Beattie W., beloved wife of Charles L.  
Weeks, aged 44 years. Our dear sister  
was spared long suffering, for her sick-  
ness was of comparatively short dura-  
tion, the Fatherhood calling His child to  
himself. During the weeks that it was  
her lot to await in weariness the fulfil-  
ment of the Divine will it was a bene-  
diction to enter her room. She calmly  
faced the dread destroyer, and murmur-  
ed not as she leaned upon the strong hand  
of her Saviour, who was evidently  
"gently leading" her on through death  
to glory. Throughout her illness there  
were continually tokens of affection that  
cheered her and touched her deeply.  
Towards the last, friends of many years  
(some of them since the early days of  
her girlhood), were privileged to minis-  
ter in every possible way to her needs.  
"Behold how they love her," would  
have been the thought of any one who  
could have looked upon her lovely counte-  
nance. When this earthly ministering had  
to cease, these friends tenderly gave her  
into the loving arms of the Christ. For  
all who knew Mrs. Weeks the world is  
sorrow since she has left it. She was a  
Christian of the most blessed type, ex-  
tremely unassuming of the peculiar sweet-  
ness and power of her own nature, con-  
scious only of the love and exhortation  
of her Saviour. She would have been  
the last to admit for herself any special  
attainment in spiritual things; yet her  
life was a continual commentary upon  
the truth that "to be spiritually minded  
is life and peace." She loved her Bible,  
always speaking of it and acting toward  
it in a way which proved that it was en-  
wrap with her life. Mrs. Weeks was an  
exceptional mother. There are but few  
who understood as she did how to place  
truth before the child-mind. This skill  
in imparting truth, combined with her  
love for it, made her an invaluable Sun-  
day-school teacher. The Dartmouth  
church will miss her; and no church  
could afford to lose her, save in submis-  
sion to the God who makes no mistakes.  
May there be for her husband and little  
girl, for her mother and for all to whom  
she was so dear, a blessed realization of  
the sustaining power of the strong love  
which she never doubted.
