SALISBURY.

Salisbury, August 23.—The weather
for haymaking is proving most propitious.
The hay crop is so abundant that
the question as to what to do with it
is becoming serious.

Some of the Colpitts family arrived
this morning, probably the first from
abroad to be in readiness for the fam-
ily picnic on Thursday next.

Those who are already here are Mr.
and Mrs. Gullford H. Colpitts and Mrs.
Calvin Colpitts of Boston and Mr. G.
A. Colpitts, B. A.

The United S. S. picnic of last week
was the most enjoyable and successful
event of the kind that could be
desired. A heavy train left Petitcodiac
and two cars were picked up
here, and all were filled before Point
du Chene was reached. The day at
the shore with the breeze from sea-
ward was a perfect delight to all. The
return trip was begun at 5 p. m., but
by some whose destinations were on
the Elgin and Havelock branch it was
not ended until early next morning.
This was owing to a defective engine.

Mrs. W. C. Matthews will hold a
S. S. Teachers' Conference in the
Methodist church next Friday at 4 p.
m., and address a public meeting in
the same place at 7 p. m.

Mr. and Mrs. Newton A. Rogers of
St. John have been recently visiting
Mr. Rogers' parents at Dobson's Cor-
ner. They returned home on Monday
last by the Maritime Express. During
the three Sundays of their visit they
rendered valuable assistance to the
choir of Lewis Mountain church.

Leaders in Districts Published on Monday Will Have an Advantage

All Votes Sent in for Contestants in Bermuda Trip
Fight Up to Saturday at 5 p. m. Will Appear
Monday for First Announcement.

Continued From Page One
The first vote exhibit will appear
in Monday's paper and will show all
votes turned in for the candidates up
to 5 p. m. Saturday. Try and get
your high vote for Monday's announcement
and surprise your friends.

Coupons clipped from the paper
should be cut on border lines, thus
making them uniform in size, which
will greatly facilitate the counting.
The territory from which the candi-
dates may secure their votes is not
bounded. The votes are awaiting the
contestants to discover them. VOTE
EARLY AND OFTEN. Get your
friends busy with their shears and
start the coupons flying toward the
ballot box. Secure special ballots on
subscription.

Each day adds new contestants. No
one is handicapped. The contest has
really not started and every lady
eligible to enter has an equal chance
with any other one to win.
The trip arranged by The Standard
and New Star has no precedent for
interest, variety and excellent man-
agement, and it will be even more
elaborately planned and equipped
than imagination can depict.

Enroll at once; watch the steady
stream of ballots. It is a contest in
which popularity is the basis. All you
need is ambition. The trip is yours
for the striving. It will be a splendid
reward for energy and ambition.
There is no favoritism shown. If in
doubt on any point, call on or tele-
phone the Contest Manager. It will
be to your advantage to do so. In-
quire about the special coupon and
how they count in making the high
scores. Reach out and grasp the op-
portunity to be one of the members
of the touring party.

When you enroll go in with a deter-
mination to be one of the fortunate

ones. Your friends will be only too
glad to show their confidence in you.
It all rests with you. Make up your
mind to win and you will be surprised
to see what a little constant applica-
tion and perseverance will accomplish.
We publish an extract from the
Yonkers Daily News, which explains
itself:

Now that the Daily News contest-
ants are back from Bermuda their
friends are hearing accounts of the
delightful journey and pleasant islands
that are arousing the keenest desire
to make the trip some time them-
selves. How delightful the contest-
ants were with the way in which their
comfort and pleasure were looked after
is evidenced in the following let-
ter:

"To the Editor:
"In appreciation of the pleasant trip
to Bermuda which I have so much
enjoyed, I wish to take the opportu-
nity to thank publicly the Daily News
and my friends for their kindness.
"I was especially impressed during
this delightful trip by the beauty and
grandeur of the islands with their pro-
fusion of lovely flowers. One thing
that was particularly noticeable was
the lily crop, which is now being started
in anticipation of the Easter ses-
son.

"Everything that could possibly be
done to make our experience a de-
lightful one had been arranged for
by the Daily News to the complete
satisfaction of our party. The pleas-
ant memories of this trip will always
remain with me. Thanking you again
I am,

Sincerely yours,
"ANNIE HUSTIS"
We have made exactly the same
arrangements for our contestants of
New Brunswick as existed at Yonkers,
and the comfort and happiness of all
concerned is assured.

TO BUILD STATION FOR TESTING WOOD PULP NO RELIEF IN SIGHT FOR WOMEN

Wausau, Wis., Aug. 25.—Contracts
have been filed here for the building
in this city of a government experi-
ment station for testing woodpulp. A
fireproof building will be erected with-
in sixty days, as soon as special ma-
chinery is installed, the work of test-
ing Wisconsin wood for paper making
will begin.

The government will spend \$40,000
on this plant during the first fiscal
year. The forestry service believes
that this testing plant will develop
methods and material for making pa-
per which heretofore have been un-
known. This will be the only plant
of its kind in the United States.

Chicago, Aug. 24.—There is no re-
lief in sight for women who have ac-
cepted the dictates of fashion and
struggled under the unyieldings of
hats of the size of an umbrella, that
is the edict of the National Associa-
tion of Retail Milliners, which is
holding its annual convention here.
Big hats are to be bigger and small
hats smaller than ever before. There
are to be no medium sized hats. The
desire for extremes extends even to
the coloring according to Mme. Matrie,
president of the association. The
more brilliant the coloring, the more
nearly to the ideal effect will the new
hat conform. New shades will in-
clude magnolia, a shade of orange;
dauk, pompeian, a dead rose, a coral
red, herne, a light mahogany, and a
cayou, a raisin color.

with the Cresset Works in France.
Many members of the Duma are dis-
pleased that the contract will go to
France, as the appropriation was vot-
ed with the understanding that it
would be expended in Russia.
