Got A Pain In Your Back?

IF YOU HAVE
HEED THE WARNING.

You get a pain in your back, and you wonder what is the matter. When the back aches or becomes weak it is a warning that the kidneys are affected in some way.

Heed the warning; cure the weak, lame, aching back and dispose of any chances of further trouble.

If you don't do this, serious complications are very apt to arise, and the first thing you know you will be troubled with Dropsy, Diabetes or Bright's Disease; the three most deadly forms of kidney trouble.

On the first sign of a pain in the back, Doan's Kidney Pills should be taken. They go right to the seat of the trouble, cure the backache and prevent any further complications arising.

Mr. Stewart Johnston, Richardson Mines, N.S., writes:—"For years I was troubled with my back, and I had to give up work. I tried Dr. after Dr., and was getting no better. I had almost given up hope when I began to try Doan's Kidney Pills. I took three boxes of them, and found I was completely cured. I feel I owe my life to Doan's Kidney Pills."

Price 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

BAPTISTS VICTORS IN HARD GAME

The hockey game in the church league last evening between the Queen Square and the Germain street Baptist teams was a hard fought and very rough game, the Baptists boys winning by a score of 3 to 0.

The rough tactics displayed by players on both teams were largely due to the fact that the referee allowed several tripping and slashing stunts to get by him when the game started. This sort of refereeing made the boys think they could do as they pleased with the result that the game was not good hockey.

The play last evening started off with a rush both teams displaying about equal ability in forward work, but the Germain street boys had a defence that their opponents could not penetrate, while on the other hand the Baptists poked in the disc for a score early in the half. Their opponents then backed up in good style with the result that the Baptists had to fight hard to keep their net clear.

R. Simms, however, got away and after a good rush scored the second goal for his team. Half time was called with the score 2 to 0 in favor of the Germain street Baptist septette.

The second half was largely a repetition of the first in as much as the Queen Square boys had the best of the territory, but failed to score. At this period of the play A. Machum received the puck in front of their opponents goal. The game ended with the score 3-0 in favor of the Baptists.

The line up was as follows:

D. Machum Dick Point.
Gilmour McDonald Coverpoint.
Moffat Smith Center.
Marshall Simms Rover.
Henderson Williams Left Wing.
Kerr McKay Simms Right Wing.

Machum Ekley F. McShane Right Wing.

The church league game this evening between St. Stephen's and St. David's Presbyterian churches, promises to be a hard struggle. Both these teams have been putting up a stellar brand of lightweight puck chasing this winter and the game this evening will undoubtedly be worth while seeing.

The lineup will be as follows:

St. David's St. Stephen's
C. Malcolm Barton Goal.
Hunter Henderson Point.
W. McGowan Gale Coverpoint.
J. McGowan Megarity Center.
Finley R. Cunningham Rover.
L. McGowan Carleton Left Wing.
R. Melrose C. Cunningham Right Wing.
P. McAvity will referee.

WINNIPEG BONSPILL CONTINUED

Winnipeg, Feb. 9.—Curling continued this morning, afternoon and evening in the bonspiel here. In the forenoon the Scottish curlers were seen in action in the opening round of the McLaren cup.

Skips Murray and Riddall won by default from High Bluff and Margaret, but their fellow Canadians, with one exception, lost, the scores being:

Lytle, Roland, 10; Col. Alkman, Scotland, 9; Flavell, Lindsay, 15; Allen, Scotland, 8; Jackson, Medicals, 15; Blair, Scotland, 6; Hyde, Silverton, 8; Ward, Scotland, 10; Sangster, Elmwood, 10; Keane, Scotland, 9.

The Ontario entries are making a fine showing against the Americans and Westerners.

MONCTON RECEIVES SET BACK

Special to The Standard.

Halifax, Feb. 9.—The Halifax Crescents added another scalp to their rapidly increasing collection when they downed the fast Moncton sextette by a double score win 4 to 2, in favor of the local hockeyists being the figures hung up when the gong rang for final time. Paster games have been witnessed here this season than last night's wrangle, notwithstanding that clever playing was the rule.

Much heavy checking was indulged in with favors easily with the Crescents. Moncton played far better hockey than when defeated by the Socials here last week, but they could not stand the pace set by the victorious Crescents so second position is the place they occupy now.

New Glasgow's win over the Socials at New Glasgow tonight put the eastern burg in the lead. The first period was slow tonight with the Crescents forcing matters and Moncton trying to rough it. They were promptly accommodated in this regard by all the husky locals, and Lifiton was particularly strong in putting the Monctonians to the boards.

The MacNamaras too, used their great weight to effect and their timely rushes were great factors in winning the game.

Tommy Humphy, with Coalkeeper Toby McDonald also shared in the honors and again gave a splendid exhibition with stick and puck.

For Moncton the man who deserves the most praise is Hagar, the goal keeper who time and again saved the score from being considerably larger.

Smith, Doherty and Povey did the best work, but the blocking and checking of Murphy and Berlanquette deserved mention. The largest crowd that has witnessed a game this season, packed the Arena tonight, a conservative estimate placing the number at 5,000.

SMITH SAYS HE DOESN'T KNOW YET

Special to The Standard.

Halifax, Feb. 9.—Tommy Smith who played with Moncton in tonight's hockey match here, is reported in the Montreal Herald to have agreed to play for the Montreal Wanderers. In answer to a question tonight, Smith first said that the statement could be denied and afterwards that he had not made up his mind.

BASKETBALL LEAGUE.

In the Schoolboy Basketball league of the Portland Y. M. A. last evening the Marathons won from the Crescents by a score of 13 points to 2.

The line up was as follows:

Marathons Crescents
A. Kirk H. Marr Forwards.
Collins Chise Center.
W. Kirk R. Kirk Guards.
Clarke Logan
R. Marr Morrison

Celtic Arithmetic.

Into the general store of a town up in New York state there recently came a big good natured Irish woman who wanted to be weighed. She stepped off the scales almost as soon as she had stepped on.

"Shure these scales is no good!" was her disgusted comment. "They only weigh up to wan hundred, an' I weigh something like wan hundred and polnety pounds."

"Tis easily discouraged ye are, Mrs. Casey," said a friend. "Just step on to them twice, me dear, and let Mick here do the sum for ye."

THIN, FRAIL WOMEN WITH PALE CHEEKS

Now Rapidly Learning the Way to Health and Vigor by the Use of Dr. Hamilton's Pills.

Thousands of half dead, emaciated, worn-out women are dragging out their weary lives simply because they don't know what ails them. Nine times in ten it's indigestion, which directly leads to anaemia, poor circulation, and eventually invalidism.

The first step towards relief is to flush out all wastes and unhealthy matter. Loosen the bowels—stir up the liver—stimulate the kidneys. Once this is done, Dr. Hamilton's Pills will quickly manifest their health-restoring qualities.

"The best way to correct impaired digestion, to cure constipation, headache, liver trouble, and other ailments of the stomach and bowels," writes Mrs. Uriah A. Dempsey, from Woodstock, "is by the frequent use of Dr. Hamilton's Pills. I didn't know what it was to enjoy a good meal for months. My stomach was sour, I belched gas, was thin, tired, pale, and nervous. I simply house cleaned my system with Dr. Hamilton's Pills, and have been robust and vigorous ever since."

To keep the machinery of the body in active working order, no remedy is so efficient, so mild, so curative as Dr. Hamilton's Pills—good for men, women and children. 25c per box, at all dealers or the Catarrhose Co., Kingston, Ont.

Paris, Feb. 9.—Bob Scanlon, an American negro puglist knocked out "Black" McCloskey, a white American fighter in the eighth round of a boxing bout here tonight. The decisive punch was a straight right to the point of the jaw which landed with such force that McCloskey was unconscious for half an hour. The usual restorative methods were used by McCloskey's handlers, but proved ineffective, and it was with difficulty that three physicians who were hurriedly summoned revived the defeated man.

BILLY MERRITT SKATES HALF MILE AGAINST TIME.

Last night on the Victoria rink ice William Merritt skated an exhibition half mile in the fast time of 1:24 1/5.

The attempt to get to Bart Duffy's time of 1:21 was well made by Merritt, who apparently has not lost any of the speed he had when he formerly resided in this city, and was one of the fastest men on the steel blades. Merritt will return to Boston in a few days.

HORSEMEN WILL HAVE SPEEDWAY

Owners of fast horses and hundreds of persons who enjoy seeing horse races will be pleased to learn that at last a driving club has been formed and that the winter trotting and pacing has been given a boost as the Moosepath Park track has been obtained. A speedway will be immediately put into proper shape for racing and the lovers of this sport will now have a chance to witness the fast ones in many a good race before the snow leaves. For years the ice has been cleared at Millidgeville or Drury Cove for some races, but the majority of the speeding has been done on the Marsh road and although there have been many excellent brushes between some of the fastest horses in the city, it has not been as satisfactory as if the racing had been done on a well conducted speedway.

The winter sport was given a big boost last night by a largely attended meeting of the prominent horsemen of the city at the Park hotel.

A large number attended and the meeting was called to order about 8.30 Wm. McIntyre being elected chair and Arthur S. Connor, secretary. The object of the meeting was to maintain a permanent speedway where the drivers and horses would be afforded the protection which has been found impossible on the Marsh road. Moosepath track with its privileges for members of the club has been secured and will hereafter be the recognized and permanent speedway for the local fast ones.

Mr. McIntyre very generously offered to keep the track in condition for the balance of the season without any expense to the club. A hearty vote of thanks was extended to Mr. McIntyre for his very generous offer.

Among those present was a Mr. Smith, of Boston, a former owner of the horse that won the Metropolitan stakes in New Hampshire and who gave some very valuable information and suggestions also offering to furnish a premium for a class in the near future.

It was decided on motion by W. A. Reid seconded by C. M. Kerrison, that the new association be called the St. John Manhood Driving Club.

On motion of Arthur Connor seconded by Walter Campbell, it was resolved that a classifying committee of five be appointed to classify the various horses in their respective classes the following being chosen, John Jackson, Walter Campbell, W. A. Reid, Louis King and John McCarthy.

On motion it was decided to give the classifying committee the power to name the judges, starter and timers.

Officers were elected as follows: Wm. McIntyre, president; Arthur S. Connor, secretary; Wilfrid M. Barlow, vice president; John P. Klevin, treasurer. Mr. Smith of Boston was elected honorary president.

It was moved and seconded that in addition to the president, vice president, secretary and treasurer, the following be elected as an executive: Frank L. O'Brien, W. H. McQuaid, Percy Rose, C. M. Kerrison, Ald. McLeod and H. R. McLellan.

Applications for membership cards may be made to the president, secretary or treasurer. On the motion it was decided to make the initiation fee one dollar.

The track has been cleared and the first meet will be held this afternoon at 2 o'clock, a free for all and a pacing class being started.

The meeting adjourned till Monday evening next.

In order to afford protection for owners and drivers, the rule that members only will be allowed use of the speedway will be strictly enforced.
