Veterinary Surgeons—Dr. A. J. Boyce, Dr. T. Fred Johnston.

A vote of thanks was tendered Mr. J. King Kelley, K. C., Dr. Boyce and Dr. Johnston, Chief Simpson and his officers and other for assistance rendered during the year.

R. W. W. Frink in his report reviewed the work done by the society during the past year, and among other suggestions was that an inspector be appointed by the provincial government to visit the smaller farms in the province with a view to better protection of live stock.

Reports were also received from Newcastle, Fredericton, Hillsboro and Moncton, also one from the World's Auxiliary, and in all these reports it was shown that the different branches had performed a great amount of work.

In presenting a lengthy report, the secretary, S. M. Wetmore, submitted the following tabulated statement of work of the N. B. S. P. C. for the year ending December 31st, 1915:

Recruiting seems to be booming again here in the city, fourteen men having signed on yesterday. This is good work considering the fact that no public meetings aside from the Sunday night one, have been held for two weeks. It begins to look as though the young men of the country were commencing to realize the need for their services.

Tobacco Heart

CURED BY

Milburn's Heart and Nerve Pills.

Tobacco does not seem to affect all alike. Many men enjoy their smoke, live to a good old age, and apparently suffer no ill effects from the use of the weed.

There are others, though, on whose heart and nervous system tobacco produces the most serious results.

It causes palpitation, pain in the heart and irregularity of its beat, makes the hands tremble, sets the nerves on edge, and the breath becomes short.

To counteract this demoralizing influence on the heart and nerves there is no remedy that equals Milburn's Heart and Nerve Pills.

They make the heart beat strong and steady, restore tone and vigor to the nerves, and remove all the evil results caused by the tobacco.

Mr. Nelson Young, Brimpton, Ont., writes: "I have had, up to about a month ago, a very weak heart, which I suppose came from smoking cigarettes. When I heard of Milburn's Heart and Nerve Pills as a cure, I immediately gave up smoking, and started using them. It does you justice to be the founder of such a great remedy. They made me feel like a new man."

Milburn's Heart and Nerve Pills are 50c per box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Pass Dividend FOR THE PRESENT

Boston, Feb. 15.—The trustees of the Mackay Company were re-elected at the annual stockholders election today.

Clarence H. Mackay, the president, declared in a statement that while the report for 1915 was gratifying, the question of an increased dividend on the common stock was not under consideration at this time.

WHY HAIR FALLS OUT

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. Yet the scalp is not soothed, and the scalp of every particle of dandruff, get a 25-cent bottle of Dandruin at any drug store, pour a little in your hand and rub well into the scalp. After a few applications all dandruff disappears and the hair stops coming out.

What Thin Folks Should Do To Gain Weight

Good Advice For Thin, Underdeveloped Men and Women.

Thousands of people suffer from excessive thinness, weak nerves and feeble stomachs who, having tried all the advertised flesh-makers, food-fads, physical culture stunts and rub-on creams, resign themselves to life-long skinniness and think nothing will make them fat. Yet their case is not hopeless. A recently discovered combination of assimilative agents has made fat grow after years of thinness, and it is also unequalled, judging from reports, for repairing the waste of sickness or faulty digestion and for strengthening the nerves. This remarkable preparation is called Sargol. Six strength-giving, fat-producing assimilative elements of acknowledged merit have been combined in this preparation, which is endorsed and used by prominent people everywhere. It is absolutely harmless, inexpensive and efficient.

A few weeks systematic use of Sargol should go far to produce flesh and strength by correcting faults of digestion and by supplying nourishing fats to the blood. If not, every druggist who sells it is authorized to return the purchase price. Increased nourishment is obtained from the food eaten, and the additional fats that thin people need are thus provided. All leading druggists supply Sargol and say there is a large demand for it. If you find a druggist who is unable to supply you send \$1.00 money order or registered letter to the National Laboratories, 74 St. Antoine street, Montreal, and a complete ten days' treatment will be sent you postpaid, in plain wrapper.

While this new preparation has been reported given splendid results as a nerve-tonic and vitality, its use is not recommended to nervous people unless they desire to gain at least ten pounds of flesh.

Ottawa, Feb. 15, via leased wire—Colonel F. H. Meresereau, of New Brunswick, telegraphed to the Minister of Militia denying the press statement quoted in the Commons yesterday to the effect that many soldiers at Campbellton had been arrested for drunkenness on pay day.

Col. Meresereau says that such a statement is absolutely false, and that there were never more than four men out of 290 stationed at Campbellton under arrest on any one time.

IF KIDNEYS AND BLADDER BOTHER

Take Salts to flush kidneys and neutralize irritating acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very painful, again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folk who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.

Don't Let Soap Spoil Your Hair

When you wash your hair, be careful what you use. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain mulled coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly, evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

WOMEN'S STOMACH TROUBLES

The Great Woman's Medicine Often Just What Is Needed.

We are so used to thinking of Lydia E. Pinkham's Vegetable Compound as a remedy exclusively for female ills that we are apt to overlook the fact that it is one of the best remedies for disorders of the stomach.

For stomach trouble of women it is especially adapted, as it works in complete harmony with the female organism, since it contains the extracts of the best tonic roots and herbs. It tones up the digestive system, and increases the appetite and strength. Here is what one woman writes showing what this medicine does:—

Newfield, N. Y.—"I am so pleased to say I can recommend Lydia E. Pinkham's Vegetable Compound as an economical and beneficial remedy in most ailments pertaining to women. At least I found it to be so by only taking two bottles. I had indigestion in a bad form and I am now feeling in the best of health and owe it all to Lydia E. Pinkham's Vegetable Compound."

Mrs. BURE WILLIAMS, R. D. No. 29, Newfield, N. Y.

Many women suffer from that "all gone feeling," and "feel so faint," while doing their work. Ten chances to one their digestive system is all out of order. A tablespoonful of Lydia E. Pinkham's Vegetable Compound after each meal should completely remedy this condition in a few days.

STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds as Once.

I your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! how good it feels. Your nostrils are open, your head is clear, no more hacking, sniffling, blowing; no more headache, dizziness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.
