Forecast.

Maritime.—Moderate winds and south winds, mostly warm and fair, but a few scattered showers.

Northern New England.—Generally fair Tuesday and Wednesday; somewhat lower temperature; moderate to fresh southwest winds.

AROUND THE CITY

PICNIC OFF FOR PRESENT.
Owing to the inclement weather the Rotary picnic, scheduled for yesterday has been postponed for an indefinite period.

HARBOR COMMISSION.
A special meeting of the common council is to be held tomorrow afternoon at 2.30 o'clock, when the discussion on the harbor matter will be continued.

CONCERT POSTPONED.
The weather was responsible for the postponement of a concert which was to have been given at the St. John County Hospital last evening. It will probably be given some time next week.

ALL READY FOR PICNIC.
All arrangements for the annual picnic of J. D. O'Connell, "The Orphan's Friend," to the children of the city have been completed and if the weatherman is in good humor a fine time is expected.

VACANCY FOR YEAR.
The city council was notified yesterday by the Board of School Trustees that the term of G. E. Day had expired on June 30, 1919 and they were requested to fill the vacancy. Action was deferred until a later meeting.

LATE ARRESTS.
Two young men were arrested for being drunk together on Main street yesterday afternoon by Sergeant Rankine and Police Constable McVernon. They were allowed to sober up in the North End station and were then conveyed to the central lockup.

LEAVES FOR PHILADELPHIA.
Ben Rommel, of Alma, formerly of the C. A. D. C., is in the city and is a guest at the Dufferin. He leaves this evening on the Boston train for Philadelphia where he will take a post-graduate course in dentistry at the University of Pennsylvania.

TAKEN TO HOSPITAL.
Fred Parke, 10 years of age, living at 71 St. James street, cut his arm on a door yesterday afternoon. He was taken to the General Public Hospital where the arm was stitched. The little fellow was reported as doing nicely last night.

A BY-LAW CASE.
There was one by-law case in the police court yesterday. Samuel Carroll, driver for Nathan Jacobson, pleaded guilty to the charge of driving on the wrong side of Charlotte street. A fine of \$10 was imposed.

FINAL ARRANGEMENTS.
Those who are in charge of booths in the Health Department at the Exhibition met yesterday afternoon at the building and made final arrangements for their booth and the completed list will be published shortly and Dr. Roberts is greatly pleased with the progress made, as the committees are almost entirely selected.

BAR ASSOCIATION.
M. G. Teed, K. C., has gone to Ottawa to attend the meeting of the Canadian Bar Association. Dr. J. B. M. Baxter, K. C., who is to deliver an address at the convention left last night and J. D. P. Lewis and J. Allan, LeBlanc, Dalhousie, are also going to the convention. There will be a meeting of the board of uniformity of laws for the nations during the convention.

HEAVY PASSENGER TRAFFIC.
The closing days of August have ever been the signal for a heavy increase in the traffic on passenger trains, and this is particularly the case this year. All trains coming in to or leaving the city yesterday were crowded, and the trains were hard put to run according to schedule. The outgoing Boston and Montreal trains were an hour and a half and two hours late respectively. The incoming Boston was a half hour late.

PROBATE COURT.
In the probate court before Judge H. O. McInerney yesterday morning, the will of John H. Collins, of Cape Spencer, was proved, and letters testamentary granted to G. H. V. Belyea. H. S. Keith was proctor. The estate was valued at \$4,550, all personal and bequests were made as follows: Mrs. Frances J. Palmer, \$2,000; Sisters of Charity, for use of St. Patrick's Industrial School, Silver Falls, \$500; St. Vincent de Paul Society, \$500; James P. Devine, Moncton, \$500; Protestant Orphan Asylum, \$500, and the residue to Mrs. Frances J. Palmer, his housekeeper.

WESTERN UNION FOREMAN AND COMPANION JUMPED FOR LIFE

Howard Corkum With Lineman Nobles Escaped Sudden Death When Motor Car and Boston Express Met in Head-on Collision Near Fairville—Corkum is in Hospital Badly Injured.

Jumping from a gasoline motor car to prevent being killed by the fast approaching Boston Express, Howard Corkum, a Western Union lineman, was very badly injured yesterday afternoon, while his companion named Nobles escaped with but a few bruises and scratches.

Head On Collision.

It is indeed a miracle that both Corkum and Nobles were not killed outright, the motor car was travelling at a fast rate, and with the express train pounding over the rails at about forty miles an hour the head on collision can be imagined. Had the two men remained on the motor car but a few seconds longer they would have undoubtedly been killed.

Jumped for Life.

After dinner the foreman and Nobles left Fairville on the motor car on their return to the work. They were going along through the fog at a rapid rate of speed about 120 o'clock, and when about three miles west of Fairville, and without hardly any warning the locomotive hauling the Boston express loomed up through the fog and was almost on top of them. There was no time for the men to stop or even slow up the motor car, who was operating the car at the rear end called to his companion Nobles, who was at the front of the car to jump. Both men jumped from the car to the side of the track, and in a very few seconds the locomotive crashed into the motor car and sent it flying to the side of the track a badly broken piece of machinery.

Brought to Hospital.

It did not take long before the injured man was picked up and as quickly as possible was conveyed to the General Public Hospital. As soon as he was examined by the hospital doctors it was found that he had received a fracture of the right leg and sustained three broken ribs on the right side, he was also suffering badly from shock. The broken limb was set and the ribs placed in position. Last evening a report from the hospital was to the effect that Corkum was very sick, but it was thought that the injuries he received would not prove fatal, although keeping him confined to the hospital for some time to come.

Many Wild Rumors.

As soon as the news of the accident had been heard in the city there were a number of wild rumors floating about. One of these was to the effect that an automobile while crossing the C. P. R. tracks at Grand Bay had been struck by the Boston express, that one man had been killed, and two other occupants of the car had been severely injured. The telephone wires were kept hot all last evening asking for such information at different points at Grand Bay and vicinity, and as the residents in this district had not heard of any accident they in turn phoned into the city for any information that could be learned, as a large number of summer residents drive to and from the city by automobile, and it was feared that perhaps some of these might have been the victims.

Citizens Greatly Interested in Display Shown in Dominion Forestry Exhibit Car at Union Depot.

That the forests of Canada are one of its greatest assets was strikingly impressed upon the minds of the three thousand or more people who visited the Dominion Forestry exhibit car on its siding near the Union Depot Saturday and yesterday.

The car resembles one of Aesop's fables, in that while it entertains it also contains a moral which in its particular case is the safeguarding of the great forest areas of Canada.

Forest Scenes

All one side of the car is decorated with beautiful plates of forest scenes to be viewed in each province in the Dominion. As they are all in their natural colors, the effect produced when illuminated is a most pleasing one.

While St. John had not been listed as one of the towns to be visited by the car, the assistant secretary of the Canadian Forestry association, G. Gerald Blyth, who is in charge, allowed the car to remain in St. John and the exhibit to be viewed by residents of the city, while the car was being routed from the C. P. R. to the C. N. R.

On Long Journey

The car left Ottawa early in June and has covered all the Metapedia Valley, the Gaspé Peninsula, and Northern New Brunswick. It went from Campbellton by way of the International to Edmundston, from there to Woodstock, and then on to St. John. Today it leaves for Hampton, Sussex and Moncton, and will then proceed to the North Shore.

In addition to the exhibit of the many products obtained from the forest, such as wood pulp, paper, cardboard, threaded pipe, sacks, twine, telescope cable, combs, shirtwaists, stockings and bandages, as well as pails, matches and other well-known articles of commerce. Another phase of the exhibit is the chemicals obtained from the distillation of wood, such as acetone, acetic acid, celloform, methyl alcohol and others.

Motion Pictures

The car carries a motion picture machine and several reels of film, illustrating lumbering operations on the Tobique, New Brunswick and the fighting of a forest fire in British Columbia.

It is the general custom to show these pictures on a sheet attached to the side of the depot in the small towns the car has visited, but the street lights did not permit its being done here.

Sunday evening the pictures were shown in a box car, which happened to be near the Forestry car, and a number enjoyed the show given in the unique movie palace.

Sent by Manufacturers

It might be noted that the car is not sent out by the government, but by the Canadian Forestry Association, which is composed of most of the leading manufacturers of lumber and wooden by-products, as well as other citizens interested in the conservation of our forests.

Among other Canadian manufacturers

who have contributed exhibits of their products are to be noted, the Schofield Paper Co., of this city, who have donated a number of articles manufactured by them.

Taken Suddenly Ill On Suburban

Henry Marsh of Newfoundland Taken from Train at Depot and Rushed to the Hospital.

Henry Marsh, giving his address as Port-Port, Nfld., was taken suddenly ill, passing into delirium several times, while coming into the city on the Westford suburban train last evening. A phone call was sent for the city ambulance, and he was met at the depot on the arrival of the suburban and taken to the General Public Hospital. It appears that Marsh, in company with three other natives of Newfoundland, arrived in the city last Friday. Marsh secured work in one of the lumber mills at Sagua, about 16 miles from the city on the C. P. R., and left on Sunday evening for Sagua. He evidently caught a cold en route, and feeling very ill, started back for the city with the intention of returning to Newfoundland. Passengers on the suburban said that Marsh looked to be a very sick man and developed a high fever.

Mr. Marsh was reported from the Hospital later as being in a very critical condition, and that the case was under observation.

The Victim of Auto Accident

Body of Frank Doody Arrives at Noon Today—Funeral Tomorrow Afternoon.

The body of Frank Doody, who was killed in an auto accident early Sunday morning in Falmouth, Mass., will arrive in the city on the Boston train at noon today, so his brother, Harry, who, with Dr. Neve, left for Boston, Mass., as soon as the news of his death was received, wired to the members of the family here last evening. The funeral will take place from the residence of his mother, 17 Pagan Place, to St. John the Baptist Church, at 2.30 o'clock Wednesday afternoon.

ST. JOHN CANADIAN CLUB TO CONFERENCE

Delegates Requested to Attend Annual Conference of Canadian Clubs in Montreal Next Month.

C. W. Romans, secretary of the Canadian Club, has received a letter from the secretary of the club in Montreal asking the names of delegates from St. John who will be present at the annual conference of Canadian Clubs to be held in Montreal on the sixth and seventh of September. Mr. Romans stated last night that it was expected that St. John would be represented, but just now the delegates would be not known yet. An extensive programme is now being arranged and it is expected that this annual will be the largest in the history of the Canadian Clubs. The meetings will take place in the Board room of McGill University, and preparations are being made to take care of a very large number of delegates from all over Canada. Sir Arthur Currie, K. C., M. G. K. B., president of the university, will open the conference.

TRAIN HELD FOR FISH SHIPMENTS

Both the outgoing Boston and C. P. R. Montreal trains were very late in going away last evening. The Montreal train was held for fish shipments from Digby and did not leave the city until about 7.35, while the Boston was held over till the Montreal train got away. The suburban train from Welsford was thirty minutes late in reaching the city due to the Boston train's delay.

WOMEN'S NEW STYLE SWEATERS

So attractively made and so beautifully warm they are simply ideal for chilly Fall days. Women's all wool sweaters of finest crocheted work, made in pullover style. Sale of Tub Frocks And Other Requirements for School Girls

Mothers! This is your chance to secure some very exceptional bargains in smartest girlish garments that will be found just the thing for early Fall wear. Included in the sale are many manufacturer's samples and odd numbers from our own regular stocks that have become slightly mussed from handling—these must be cleared out immediately to make room for Autumn merchandise.

TUB FROCKS IN SIZES 2 TO 13 YEARS—

Girls can't help liking these. They are fashioned of Ginghams, Chambrays, Poplins, Dimities and Muslins. Many of them are in straight belted effects, others are frilly, and all sorts of smart trimming touches, such as shirring, smocking, embroidery and picot edges are evident. Among the novelties are frocks of black sateen with rose colored bloomers. You will find a splendid variety for your selection. Prices range from 75c. to \$7.00.

TOTS' WHITE DRESSES, SIZES 1 TO 6 YEARS—

Dainty sheer materials are used in these lawns, voiles and dotted Swiss are favorites. They are prettily trimmed with fine lace edges, touches of hand work, feather stitching and narrow frills, and are in all the styles you admire most for small girls. Sale prices \$1.00 to \$5.00.

Sale begins Tuesday morning at 8.30 in Children's Shop, Second Floor.

No approbation or exchange of sale garments.
