Despite the steady downfall of snow, and the strong wind prevailing the greater part of the afternoon, the Maritime Outdoor Amateur Skating Championships were slated to a successful finish on the Carleton Open Air Rink Saturday afternoon.

A crowd numbering over six hundred spectators undaunted by the elements witnessed the races from the slopes about the ice, while several hundred more viewed it from the frosty vantage points outside the rink. Although handicapped by the weather, the field of skaters were favored with keen ice, and the time made in several events was good, considering.

Interest centered most keenly on the senior events. Charles Gorman and Frank Garnett showing a decided superiority over the rest of the field. The three mile was looked forward to with interest, and as the race progressed it was evident to the crowd that the two were racing for the honors.

Both held back to the rear until the 19th lap when Garnett spurred strongly and went well ahead, Gorman immediately responded and came up with the rest of the field who were bunched while trying to break through he was fouled, fell, and dropped out of the race. The others were not able to maintain the fierce pace set by Garnett and he went home an easy winner.

That the trip to the big races had been an education in itself, was demonstrated by all the St. John boys who had gone to them. Gorman, Garnett, Willie Logan, Tommy Tebo, and Irving Leonard, all skated with a much more finished style than the rest of the entrants, and seemed to have things much their own way in the events in which they were entered.

In the junior races this was especially true of Logan, who went out of his class and won first in the 16 year olds. The ex-champion's son is a worthy skater, with a powerful stroke that promises to win additional honors in skatingdom for the Logan name.

The girls races were watched quite as keenly as the boys races, and all eyes were out to select the young ladies who might prove themselves eligible to compete with Gladys Robinson, the International Skating Champion who shares honors with Charles Gorman as the leading skater of the Dominion. The Pros. Enter Into Agreement

Right to American Outdoor Professional Championship Title Will Be Decided Next Few Days.

Lake Placid, N. Y., Feb. 19.—An agreement entered into between nine of the best known professional skaters for the right to the American professional outdoor skating championship title, will finally be decided on the greatest number of points won in races at Endicott, N. Y., Saturday and Sunday, and at a professional meet here on Monday and Tuesday. The skaters, who entered an agreement to race for the professional title under these conditions, were Everett McGowan, who won the professional meet at Saranac Lake last week; Arthur Staff of Chicago, who won the professional title here last winter; Bobby McLean of Chicago; Edmund Lamy of Saranac Lake; Norval Baple of Minneapolis; Ben O'Sickey of Cleveland; Don Baker of New York; Clarence Carman of Boston; and Morris Wood of New York.

This action is in accordance with a suggestion made by Staff, previous to his defeat by McGowan this week. It was said here to automatically classify the Saranac Lake meet this week as one of several professional events without having final effect upon the title of American champion.

SKATERS SMASH WORLD'S RECORDS AT BINGHAMPTON

Arthur Staff Skates 440 Yards in 37 Seconds, and Tied With Lamy in Two Miles, Time 5:45—Gladys Robinson Went Hundred Yards in 11.2-5, and 220 in 22.1-5.

Binghamton, N. Y., Feb. 19.—Four world's records were shattered in the International Ice Skating Championships held here yesterday. The sensational skating of Miss Gladys Robinson, Toronto, featured the meet. The international amateur women champion broke two world records, the 100 yard dash in 11.2-5, and the 220 yard dash in 22.1-5, and set a new record for the 440 yard dash in 37 seconds. She skated the century in 11.2-5 seconds, or 3.5 of a second faster than the world's record, and the 220 yard dash in 22.1-5 seconds, or 1.5 of a second faster than the previous world's record.

Arthur Staff, of Chicago, and Edmund Lamy, of Saranac Lake, skating a dead heat, broke the two mile record of five minutes and 25 seconds by three full seconds. The former record was made twelve years ago by Lamy at a meeting in Cleveland. Staff broke his own record for the 440 yard dash by one-fifth of a second, skating the quarter in 37 seconds flat.

Miss Robinson's feat of breaking two world's records is considered a remarkable view of the fact that it marks the second time within the week that the Canadian skating world has established a new mark, for a dead heat, broke the two mile record of five minutes and 25 seconds. She skated it in 23.1-5. Her remarkable work in the 100 yard dash, as well as being responsible for her clipping a full second off the new record at yesterday's meet.

At the end of the first day, Arthur Staff, dethroned as national champion in Saranac Lake last week by Everett McGowan, was leading for the international title with 35 points. Lamy was second with 45; Bobby McLean, of Chicago, former World's champion, was third with 30 points, and Morris A. Wood, of New York, fourth with 20.

Only five racers stood the pace in the two mile feature event, Wood, Don Baker, of New York, and Clarence Carman, of Boston, dropping out before the last quarter was reached. The real contest developed in the last lap when Staff and Lamy skated away from the crowd, with McLean about five yards behind. They breast the tape together for the record.

Staff had little trouble winning the 440 yard dash in world's record time, and nosed out the field in the mile race.

NATIONAL HOCKEY LEAGUE GAMES PLAYED SATURDAY

Canadiens Defeated St. Patricks of Toronto 6 to 4 After Being Outclassed and Outplayed in Early Stages—Ottawa Won from Hamilton 4 to 2.

Montreal, Feb. 19.—Coming within challenging distance for second place in the standing of the clubs in the National Hockey League, Canadiens defeated St. Patrick's of Toronto, at the Mount Royal Arena here last night by 6 goals to 4. To earn the victory, Canadiens had to serve up as thrilling a finish as that furnished in the game against Ottawa here earlier in the week. In the early stages of the game Canadiens were outclassed and outplayed, the score being 4 to 1 at the end of the second period, for the visitors. The handicap of three goals was overcome within a few minutes and by the end of the period five goals had been put on with the Frenchmen smothering their opponents with speed and generosity. When the tie was reached, Canadiens never let up, and shot from all distances and angles at John Ross Roach, the Toronto goalie.

Odie Cleghorn, Berlinguette and W. Boucher were the best line Canadiens have put on the ice, and to them the credit of the victory is due. Lalonde and Bouchard both played below form, and were tested.

The game was not rough, with the exception of a cross check handed to Randall by Odie Cleghorn, which rendered the former unconscious and caused his retirement from the game.

Hamilton Outclassed.
Hamilton, Feb. 19.—Outclassing the Hamilton Tigers in every department of the game and showing team play seldom witnessed here, the Ottawa Senators beat the Hamiltons 4 to 2 in an N. H. L. fixture here last night, and made sure of the top rung for league honors. Aside from a few minutes in the final frame, when Ottawa appeared to be content to play a defensive game, the Tigers had none of the game, and it is really surprising how they managed to hold the Senators to such a low count. The failure of the visitors to get more than four counters were undoubtedly due to the hard passing when breaking down on the Hamilton defense, as time after time passes from Nighbor to Denenny and Broadbent went astray and saved the situation for the Hamiltons. The best asset of the Senators appeared to be their checking, as they checked the Hamiltons to a standstill and seldom did Malone and Compas get inside the Senators' outer defense. Only twice in the opening frame did they succeed in doing this, and one resulted in a counter when Carey took a pass from Arthur and scored. From then on to the drying moments of the game Hamilton found the Ottawa forward line hard to pass. Frank Nighbor had a poke check working to perfection, and the Ottawa centre man appeared to
