millions; and this the Company's own

other time, without notice, the rate is jumped up to several times the old figure, A very value Jumped up to several times the old figure, in particular cases. Now, if the Company is sincerely working to thin out its risks, by rejecting all doubtful and hazardous ones, the public should not object, but there is no evidence of this rule being applied generally, so far as can be discover-

The whole of the Fire offices require a

good going over. They have been taking risks of all sorts, right and left. There is risks of all sorts, right and reft. Includes scarcely a man, or woman either, so dis-honest or so borne down by debt, or pursu-ing so dangerous a business, that he can-not get fully covered in these offices. The temptation to fire buildings for the sake of the Lemenance is near great under these cirthe Insurance is very great under these cir-cumstances, the danger corresponding great danger in large, wooden towns like ours. Again, there must be over-valuation in many cases. Take the old buildings on Germain St., of Mr. Nowlin's, which were "Where are the Plains of Zion" with considerable expression. Miss Nelson's singing was excellent particularly in the Solo and Chorus, "Ye Winged Wings.," There was a large number office for \$8,000. This seems incredible, but it appeared in the papers and has not been denied. There should be an end put to this kind of work once and for all, and late for yesterday's issue.]

" grand pigeon shooting match "

SIR,-Your article of this evening comes [SPECIAL TELEGRAMS TO THI?

Globe" Company, as if they were animated solely by a desire to build up American and break down English offices. Is it not a fact that this Company has been doing business without regard to its capital or its resourc

against losses in the case of great disasters? According to the authorities you cited this company took fire risks alone last year to

the extent of ELEVEN HUNDRED MILLIONS OF DOLLARS, while its real assets for the protcetion of these risks were under NINE
