NEWBURY

Beginning April 28th, each Wednesday all the stores will close at 12 o'clock noon. The Merchants Bank and other places of business will also observe the half-day, so anyone wishing to do business here will do well to remember and save themselves disappointment.

Rev. W. J. Hammett arrived home Saturday from Hanna, Alberta.

John A. Robinson & Son have added a motor hearse to their undertaking business.

A few evenings prior to her marriage a number of Mrs. Ed. Hoxie's (nee Ella M. Jeffery) friends "showered" her at her home, presenting her with a quantity of Old Colony silver and several pieces of cut glass. A very pleasant evening was spent in games, after which refreshments were served. Mrs. Hoxie was one of our most popular girls and will be greatly missed.

The annual vestry meeting was held in Christ church on Tuesday evening, 8th inst., there being a very good attendance. Rev. R. J. Murphy occupied the chair. D. J. Batsner, treasurer, presented his report which showed the finances in splendid standing, a nice surplus remaining after the year's business. It was a matter for regret that Mr. Batsner would perhaps not be in town and therefore could not accept the position again. The following officers were appointed:—Rector's warden, W. C. King; people's warden, Wm. J. Armstrong; treasurer, Archie McCready; vestry clerk, Alvin Barr; auditors, Dr. J. P. McVicar and C. Tucker; sionsmen—A. Burr, Will McCready, Frank Robinson, Dr. J. P. McVicar, Wm. J. Armstrong and A. McCready. At the congregational meeting following Charles Tucker and Wm. C. King were appointed lay delegates to the Synod.

Internally and Externally it is Good. The crowning property of Dr. Thomas' Electric Oil is that it can be used internally for many complaints as well as externally. For sore throat, croup, whooping cough, pain in the chest, colic and many hundred ailments it has curative qualities that are unsurpassed. A bottle of it costs little and there is no loss in always having it at hand.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.
